## DEMANDES AU PARLEMENT.

RÈGLES *in re* AVIS DE BILLS PRIVÉS.

Dans le cas de toute demande de bills privés, proprement du ressort législatif du Parlement du Canada suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, ayant pour objet la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, ou le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société ; ou ayant pour objet quelque amendement à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande (sauf s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit :—

*Dans les provinces de Québec et du Manitoba.*

Dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français, du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district ; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

*Dans les autres provinces ou territoires.*

Dans la *Gazette du Canada*, et dans un journal du comté, du district ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal alors la publication doit se faire dans un journal du comté ou district le plus voisin où il s'en publie. La publication de ces avis durera, dans chaque cas, la période de deux mois au moins pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Des exemplaires marqués de tous les numéros des journaux reproduisant

la première et la dernière insertion de l'avis, devront être transmis au greffier de chaque chambre, et porter à l'enclos "Demande de bill privé."

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, les pétitionnaires devront aussi, en même temps et de la même manière, donner avis du taux de péages projeté, de l'étendue du privilège, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piles pour le passage des radeaux et des navires ; et, si c'est un pont mobile, quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours au moins qui précéderont l'ouverture du parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Après la seconde lecture et avant la prise en considération du bill par tout comité, le pétitionnaire aura aussi à payer au greffier du Sénat, ou au comptable de la Chambre des Communes (selon le cas) un honoraire de \$200, plus une somme suffisante pour défrayer le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé.

L'honoraire de \$200 payable sur tout bill privé, ne sera payé que dans la Chambre où ce bill a pris naissance ; mais les frais de réimpression et de traduction nécessités par ce bill seront payés dans la Chambre où ces frais sont encourus.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par le Sénat ou par la Chambre des Communes, après les premières trois semaines de la session.

Aucun bill privé ne pourra être présenté au Sénat ou à la Chambre des Communes après les premières quatre semaines de la session.

49. (c.) Chaque fois qu'un bill doit opérer dans plus d'une province, territoire ou district, l'avis sera publié dans la *Gazette du Canada* et dans un journal bien établi publié dans chaque province, territoire ou district où le bill doit opérer.

## ORDRE PERMANENT.

Lorsqu'un bill confirmant un bail, une convention ou toute autre espèce de contrat, sera reçu ou présenté au Sénat, ce bail, cette convention ou cette autre espèce de contrat sera exposé dans un appendice ou autrement.

49. Les pétitions pour bills privés ne seront reçues par la Chambre que pendant les trois premières semaines de la session, et les bills privés ne pourront être présentés à la Chambre que pendant les quatre premières semaines de la session ; et tout comité auquel aura été renvoyé un bill privé devra le prendre en considération et en faire rapport à la Chambre avec toute la diligence convenable.

2. Qu'il soit enjoint à tous les comités sur bills privés, dans le cas où les promoteurs ne seraient point prêts à procéder avec leurs mesures quand celles-ci auront été appelées deux fois en deux occasions différentes devant le comité pour y être considérées, de rapporter ces mesures à la Chambre sans délai, faisant connaître les faits, et avec la recommandation que ces bills soient retirés."

JOHN GEORGE BOURINOT,

#### (29) LAKE ERIE—LONG POINT—LIFEBOAT REMOVED.

The lifeboat heretofore maintained by the Government of Canada at Port Rowan, north shore of Lake Erie, has been removed to a point on the shore, 2½ miles west from West end of Long point lighthouse, where a boathouse has been built on the low sandy shore.

Lat. N. 42° 34' 30"  
Long. W. 80 27 7

In consequence of this removal of the lifeboat the signal arranged to be shown from the West end of Long point lighthouse as a call for the lifeboat is no longer of use, and will be discontinued. The note respecting the obscuration of the light for this purpose should therefore be removed from the remark column of the list of lights.

#### (30) GODERICH—HYDROGRAPHIC NOTES, &C.

The waterworks pumphouse, upon which the steam fog whistle is placed, had a new brick chimney added to it in 1900. The new chimney is taller than the old one, which still remains. The building is of red brick shingled roof, is partially hidden from the northwest by storehouses, and bears S. 65° E., 1,780 feet from the outer red light.

The front range light (fixed red) is 15 feet from the south edge of the north breakwater and 117 feet from its outer end.

The back range light (fixed green) is also upon the north breakwater, S. 77° E., 1,533 feet from the front light.

*Directions.*—Vessels approaching Goderich harbour should not get within a mile from the shore until the present range lights are in line bearing S. 77° E. or the green light opens a little south of the red light. When about 700 feet off the north pier so open the green light as to be from 25 to 150 feet south of the prolongation of the south face of the north pier. This will place a vessel between the spar buoys.

A good mark for day use is the north corner of the large elevator exactly over the north pile on the checkwater pier at the inner end of the south protection pier. Keep this range on until abreast of the green light, when change course to pass 25 to 50 feet off the checkwater pier and haul up for the elevator or other wharves on the south side of the harbour.

Following these directions a vessel may carry 19 feet to the elevator or the wharf on the south side of the harbour.

There is a depth of 15 feet up to the wharf on the north side of the harbour, but it is used only for lumber vessels.

It is about 500 feet square and lies in a position from which the Buffalo breakwater light and fog signal station bears about N. 84° 23' E. (N. 79° E. true) distant 900 feet. There is a depth of 21 feet of water over the shoal at normal lake level, but when the "Chicago" struck it the water in Buffalo harbour was about 3 feet lower than usual, owing to easterly winds, and there was also quite a heavy sea running.

NOTE.—Rien de contenu au présent règlement ne sera censé signifier qu'après le passage de ce train de voyageurs ou à bagage tout train de marchandises serait arrêté pendant les cinq (5) minutes spécifiées, mais il pourra passer immédiatement après le passage du train de voyageurs ou à bagage.

*Contrôle de l'aiguille à la rue St-André.*

NOTE.—Un coup prolongé de sifflet est le signal pour baisser de sémaphore.

*Pas de locomotive ou de char sur la voie commune.*

(f) Il ne sera permis à aucune locomotive, train ou chars de s'arrêter sur la voie commune.

*Vitesse en passant les aiguilles.*

(h) Les trains ou locomotives légères ne doivent pas passer sur ces aiguilles à une vitesse excédant cinq (5) milles à l'heure, et les aiguilles seront toujours laissées fixées pour la ligne principale reliant la gare de la rue St-André et le pont St-Charles, excepté lorsqu'elles sont changées pour laisser passer des trains allant aux bassins Louise ou en revenant.

*Une vigilance active sera observée.*

(i) Les trains et locomotives entrant à Québec ou en sortant guetteront attentivement les trains allant aux et venant des bassins Louise, qui passent sur la voie commune entre les aiguilles numéros un et deux, et les locomotives allant aux et venant des bassins Louise veilleront à ce que la voie soit libre et les aiguilles convenablement fixées avant de passer sur ces aiguilles.

*Vigilance active pour les signaux de sémaphore et d'aiguilles.*

(j) Et dans le but d'arrêter les trains et pour le contrôle sûr du trafic sur la voie commune, les employés exerceront une vigilance active pour les signaux de sémaphore et d'aiguille.

## DEMANDES AU PARLEMENT.

RÈGLES *in re* AVIS DE BILLS PRIVÉS.

Dans le cas de toute demande de bills privés, provenant du ressort législatif du Parlement du Canada suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, ayant pour objet la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, ou le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société; ou ayant pour objet quelque amendement à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande (sauf s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit :—

Dans les provinces de Québec et du Manitoba.

Dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français, du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces ou territoires.

Dans la *Gazette du Canada*, et dans un journal du comté, du district ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal alors la publication doit se faire dans un journal du comté ou district le plus voisin où il s'en publie. La publication de ces avis durera, dans chaque cas, la période de deux mois au moins pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Des exemplaires marqués de tous les numéros des journaux reproduisant

la première et la dernière insertion de l'avis, devront être transmis au greffier de chaque chambre, et porter à l'enclos "Demande de bill privé."

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, les pétitionnaires devront aussi, en même temps et de la même manière, donner avis du taux de péages projeté, de l'étendue du privilège, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piles pour le passage des radeaux et des navires; et, si c'est un pont mobile, quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours au moins qui précéderont l'ouverture du parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Après la seconde lecture et avant la prise en considération du bill par tout comité, le pétitionnaire aura aussi à payer au greffier du Sénat, ou au comptable de la Chambre des Communes (selon le cas) un honoraire de \$200, plus une somme suffisante pour défrayer le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé.

L'honoraire de \$200 payable sur tout bill privé, ne sera payé que dans la Chambre où ce bill a pris naissance; mais les frais de réimpression et de traduction nécessités par ce bill seront payés dans la Chambre où ces frais sont encourus.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par le Sénat ou par la Chambre des Communes, après les premières trois semaines de la session.

Aucun bill privé ne pourra être présenté au Sénat ou à la Chambre des Communes après les premières quatre semaines de la session.

## NOTICE TO MARINERS.

No. 10 of 1902.

All bearings, unless otherwise noted, are magnetic and are given from seaward, miles are nautical miles, heights are above high water, and all depths are at mean low water.

## ONTARIO.

(29) LAKE ERIE—LONG POINT—LIFEBOAT REMOVED.

The lifeboat heretofore maintained by the Government of Canada at Port Rowan, north shore of Lake Erie, has been removed to a point on the shore, 2½ miles west from West end of Long point lighthouse, where a boathouse has been built on the low sandy shore.

Lat. N. 42° 34' 30"  
Long. W. 80 27 7

In consequence of this removal of the lifeboat the signal arranged to be shown from the West end of Long point lighthouse as a call for the lifeboat is no longer of use, and will be discontinued. The note respecting the obscuration of the light for this purpose should therefore be removed from the remark column of the list of lights.

(30) GODERICH—HYDROGRAPHIC NOTES, &c.

The waterworks pump-house, upon which the steam fog whistle is placed, had a new brick chimney added to it in 1900. The new chimney is taller than the old one, which still remains. The building is of red brick shingled roof, is partially hidden from the northwest by storehouses, and bears S. 65° E., 1,780 feet from the outer red light.

The front range light (fixed red) is 15 feet from the south edge of the north breakwater and 117 feet from its outer end.

The back range light (fixed green) is also upon the north breakwater, S. 77° E., 1,533 feet from the front light.

*Directions.*—Vessels approaching Goderich harbour should not get within a mile from the shore until the present range lights are in line bearing S. 77° E. or the green light opens a little south of the red light. When about 700 feet off the north pier so open the green light as to be from 25 to 150 feet south of the prolongation of the south face of the north pier. This will place a vessel between the spar buoys.

A good mark for day use is the north corner of the large elevator exactly over the north pile on the checkwater pier at the inner end of the south protection pier. Keep this range on until abreast of the green light, when change course to pass 25 to 50 feet off the checkwater pier and haul up for the elevator or other wharves on the south side of the harbour.

Following these directions a vessel may carry 19 feet to the elevator or the wharf on the south side of the harbour.

There is a depth of 15 feet up to the wharf on the north side of the harbour, but it is used only for lumber vessels.

RÈGLES *in re* AVIS DE BILLS PRIVÉS.

Dans le cas de toute demande de bills privés, proprement du ressort législatif du Parlement du Canada suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, ayant pour objet la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, ou le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société ; ou ayant pour objet quelque amendement à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande (sauf s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit :—

*Dans les provinces de Québec et du Manitoba.*

Dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français, du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district ; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

*Dans les autres provinces ou territoires.*

Dans la *Gazette du Canada*, et dans un journal du comté, du district ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal alors la publication doit se faire dans un journal du comté ou district le plus voisin où il s'en publie. La publication de ces avis durera, dans chaque cas, la période de deux mois au moins pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Des exemplaires marqués de tous les numéros des journaux reproduisant

la première et la dernière insertion de l'avis, devront être transmis au greffier de chaque chambre, et porter à l'enclos "Demande de bill privé."

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, les pétitionnaires devront aussi, en même temps et de la même manière, donner avis du taux de péages projeté, de l'étendue du privilège, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piles pour le passage des radeaux et des navires ; et, si c'est un pont mobile, quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours au moins qui précéderont l'ouverture du parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. L'honoraire de \$200 payable sur tout bill privé, ne sera payé que dans la Chambre où ce bill a pris naissance ; mais les frais de réimpression et de traduction nécessités par ce bill seront payés dans la Chambre où ces frais sont encourus.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par le Sénat ou par la Chambre des Communes, après les premières trois semaines de la session.

NOTICE TO MARINERS.

No. 16 of 1902.

All bearings, unless otherwise noted, are magnetic and are given from seaward, miles are nautical miles, heights are above high water, and all depths are at mean low water.

QUEBEC.

(52) RIVER ST. LAWRENCE—BARRETT LEDGE—CHANGE IN COLOUR OF GAS AND BELL BUOY.

When the gas and bell buoy marking Barrett ledge, river St. Lawrence below Quebec, is placed in position this year, it will be changed in colour from chequered black and white to red, with the words "Barrett ledge" in white letters on the body of the buoy, and will thereafter be maintained as a red buoy.

(53) RIVER ST. LAWRENCE—TRAVERSE OF ST. ROCH—CHARACTERISTIC OF LIGHT AT UPPER END.

The light shown from the permanent lighthouse on the pier at the upper end of the Traverse of St. Roch, River St. Lawrence below Quebec, will, on the opening of navigation in 1902, be changed from a fixed white catoptric light to an occulting white light giving flashes of 8 seconds' duration, with intervals of 8 seconds between the flashes. The light is elevated 47 feet above high water mark and should be visible 12 miles from all points of approach. The beam of light in the ship channel will be stronger than that shown in other directions. The illuminating apparatus is dioptric of the third order. The illuminant will be compressed gas, but the light will be watched.

The temporary wooden lantern which originally surmounted this tower has been replaced by a polygonal iron lantern painted red. In other respects the station is as described in notice to mariners No. 91 of 1900, part i.

The sailing directions given therein require emendation in consequence of the change in 1901 in the position of the light-ship marking the lower end of the Traverse. They should now read as follows:

Algernon rock in one with Upper Traverse light marks very closely the position of Lower Traverse lightship, now moored off the northwest point of the

shoals of St. Roch. Vessels inward bound can enter the Traverse safely either by bringing Lower Traverse lightship in one with Upper Traverse light or, in the absence of the lightship, by bringing Upper Traverse light in one with Stone Pillar light. When a mile below the lightship they should shape a course to pass it  $1\frac{1}{2}$  cables distant, leaving it on the port hand. From this point the course through the Traverse is S. W.  $\frac{1}{2}$  W. keeping Stone Pillar and Algernon rock lights open northward of Upper Traverse light. From off Upper Traverse light the course to leave Channel patch gas buoy on the starboard hand is S.W.  $\frac{1}{2}$  S. The course usually taken leaves Upper Traverse light 2 cables distant to southward in passing.

Variation in 1902 :  $20^\circ$  westerly.

## (29) LAKE ERIE—LONG POINT—LIFEBOAT REMOVED.

The lifeboat heretofore maintained by the Government of Canada at Port Rowan, north shore of Lake Erie, has been removed to a point on the shore, 2½ miles west from West end of Long point lighthouse, where a boathouse has been built on the low sandy shore.

In consequence of this removal of the lifeboat the signal arranged to be shown from the West end of Long point lighthouse as a call for the lifeboat is no longer of use, and will be discontinued. ## (30) GODERICH—HYDROGRAPHIC NOTES, &amp;c.

The waterworks pumphouse, upon which the steam fog whistle is placed, had a new brick chimney added to it in 1900. The new chimney is taller than the old one, which still remains. The building is of red brick shingled roof, is partially hidden from the northwest by storehouses, and bears S. 65° E., 1,780 feet from the outer red light.

The front range light (fixed red) is 15 feet from the south edge of the north breakwater and 117 feet from its outer end.

The back range light (fixed green) is also upon the north breakwater, S. 77° E., 1,533 feet from the front light.

*Directions.*—Vessels approaching Goderich harbour should not get within a mile from the shore until the present range lights are in line bearing S. 77° E. or the green light opens a little south of the red light. When about 700 feet off the north pier so open the green light as to be from 25 to 150 feet south of the prolongation of the south face of the north pier. This will place a vessel between the spar buoys.

A good mark for day use is the north corner of the large elevator exactly over the north pile on the checkwater pier at the inner end of the south protection pier. Keep this range on until abreast of the green light, when change course to pass 25 to 50 feet off the checkwater pier and haul up for the elevator or other wharves on the south side of the harbour.

Following these directions a vessel may carry 19 feet to the elevator or the wharf on the south side of the harbour.

There is a depth of 15 feet up to the wharf on the north side of the harbour, but it is used only for lumber vessels.

## AVIS AUX NAVIGATEURS.

No. 16 de 1902.

Tous les relèvements, à moins d'avis contraire, sont magnétiques et sont donnés venant de la mer, les milles sont des milles marins, les hauteurs sont au-dessus des hautes eaux, et toutes les profondeurs sont à l'eau basse moyenne.

### QUÉBEC.

(52) FLEUVE SAINT-LAURENT—RÉCIF BARRETT—  
CHANGEMENT DANS LA COULEUR DE LA  
BOUÉE À GAZ ET À CLOCHE.

Lorsque la bouée à gaz et à cloche qui indique le récif Barrett, fleuve Saint-Laurent en bas de Québec, sera mise en position cette année, sa couleur sera changée de noir et blanc croisé à rouge, avec les mots

"Barrett ledge" en lettres blanches sur le corps de la bouée, et sera dès lors entretenue comme bouée rouge.

(53) FLEUVE SAINT-LAURENT—TRAVERSE DE ST-ROCH—NATURE DU FEU D'EN HAUT.

A l'ouverture de la navigation en 1902, le feu montré du phare permanent sur la jétée en haut de la Traverse de St-Roch, fleuve St-Laurent en bas de Québec, sera changé de feu blanc fixe catoptrique en feu blanc à occultations donnant des éclats de 8 secondes de durée, avec des intervalles de 8 secondes entre les éclats. Le feu est à 47 pieds au-dessus de la marque des hautes eaux et devrait être visible à 12 milles de tous les points d'approche. Le rayon de lumière dans le chenal des navires sera plus fort que celui montré dans d'autres directions. L'appareil lumineux est dioptrique du troisième ordre. La lumière sera de gaz comprimé, mais le feu sera surveillé.

La lanterne temporaire en bois qui dans l'origine surmontait cette tour a été remplacée par une lanterne en fer polygone peinte rouge. Sous d'autres rapports la station est telle que décrite dans l'Avis aux Navigateurs No. 91 de 1900, partie i.

Les instructions pour la navigation seront modifiées vu le changement fait en 1901 dans la position du bateau-feu qui indique le bout d'en bas de la Traverse. Elles se liront comme ci-dessous :—

Le rocher Algernon en conjonction avec le feu de la Traverse d'en haut indique très exactement la position du bateau-feu de la Traverse d'en bas, aujourd'hui ancré au large de la pointe nord-ouest des battures de St-Roch. En remontant, les navires peuvent sans danger entrer dans la Traverse soit en amenant le bateau-feu de la Traverse d'en bas en conjonction avec le feu de la Traverse d'en haut, ou en l'absence du bateau-feu, en amenant le feu de la Traverse d'en haut en conjonction avec le feu du Pilier de Pierre. A un mille en aval du bateau-feu ils devront gouverner de façon à passer à une encablure et demie de distance, le laissant à bâbord. A partir de ce point la direction dans la Traverse est S.O.  $\frac{1}{2}$  O. tenant les feux du Pilier de Pierre et du rocher Algernon ouverts au nord du feu de la Traverse d'en haut. A partir du feu de la Traverse d'en haut la route à suivre pour laisser à tribord la bouée à gaz sur le haut fond du chenal est S. O.  $\frac{1}{2}$  S. La route ordinairement suivie laisse le feu de la Traverse d'en haut à 2 encablures au sud en passant.

Variation en 1902 : 20° ouest.

(54) FLEUVE ST-LAURENT—BATTURE BEAUJEU—CHANGEMENT DANS LA COULEUR DE LA BOUÉE À GAZ.

Lorsque la bouée à gaz qui indique le chenal sur la barre au bout ouest de la batture Beaujeu, au large de l'île aux Grues, fleuve St-Laurent en bas de Québec, sera mise en position cette année, sa couleur sera changée de blanc à bandes horizontales rouges et noires, avec les mots "Beaujeu bank" en lettres blanches sur le corps de la bouée, et sera dès lors maintenue comme bouée de *middle ground*.

Lat. N. 47° 4' 11"  
Long. O. 70 30 37

La bouée-espar qui remplace cette bouée à gaz lorsqu'elle sera enlevée pour l'hiver, sera aussi changée de couleur de blanc à bandes horizontales rouges et noires.

(55) FLEUVE ST-LAURENT—GROSSE-ÎLE—CHANGEMENT DANS LA COULEUR DE LA BOUÉE À GAZ ET NATURE DU FEU.

Lorsque la bouée à gaz sur l'extrémité ouest de l'île Margaret, fleuve St-Laurent en bas de Québec, sera mise en position cette année, sa couleur sera changée de jaune à rouge, avec les mots "Quarantine" en lettres jaunes sur le corps de la bouée; et la nature du feu sera changée de blanc fixe à blanc à occultations. Après cela la bouée sera maintenue comme bouée de tribord, et le feu sera obscurci à de courts intervalles.

## DEMANDES AU PARLEMENT.

RÈGLES *in re* AVIS DE BILLS PRIVÉS.

Dans le cas de toute demande de bills privés, proprement du ressort législatif du Parlement du Canada suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, ayant pour objet la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, ou le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société ; ou ayant pour objet quelque amendement à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande (sauf s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit :—

## Dans les provinces de Québec et du Manitoba.

Dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français, du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district ; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

## Dans les autres provinces ou territoires.

Dans la *Gazette du Canada*, et dans un journal du comté, du district ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal alors la publication doit se faire dans un journal du comté ou district le plus voisin où il s'en publie. La publication de ces avis durera, dans chaque cas, la période de deux mois au moins pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Toute personne désirant obtenir un bill privé devra, dans les huit jours au moins qui précéderont l'ouverture du parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. L'honoraire de \$200 payable sur tout bill privé, ne sera payé que dans la Chambre où ce bill a pris naissance ; mais les frais de réimpression et de traduction nécessités par ce bill seront payés dans la Chambre où ces frais sont encourus.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par le Sénat ou par la Chambre des Communes, après les premières trois semaines de la session.

## DESPATCHES, Etc.

Circular.

DOWNING STREET,  
11th March, 1902.

SIR,—With reference to my Circular despatch of the 28th of December last relative to the importation into Great Britain of dogs brought from abroad, I have the honour to transmit to you, for the information of your Government, a copy of a letter from the Board of Agriculture inclosing a copy of a further notice which has been issued to the Press in this country on the subject, and calling attention to the desirability of giving wide publicity in the Colonies to

their Order of the 12th of December, 1901, and Memorandum A 214/a, further copies of which are herewith transmitted.

I have the honour to be,

Sir,

Your most obedient, humble servant,

J. CHAMBERLAIN.

The Officer Administering  
the Government of Canada.

Enclosure 1.

BOARD OF AGRICULTURE,

4, WHITEHALL PLACE,  
LONDON, S. W., 1st March, 1902.

No. A. 6663/1902.

SIR,—I am directed by the Board of Agriculture to advert to Mr. Graham's letter of the 31st December last acquainting the Board, in reply to their communication of the 12th December, that copies of the Importation of Dogs Order of 1901 and of the Memorandum thereon would be forwarded, as on previous occasions, to the various representatives of the Colonies in this Country and abroad, and I am to say that notwithstanding the wide publicity which has already been given to the requirements of the Order, the Board have issued to the Press a further Notice, copies of which are inclosed, as a reminder to the Public that the 15th inst. is the date upon which imported dogs will become subject to detention under quarantine for a period of six months at a Veterinary establishment approved for the purpose. By this means the Board hope to minimise the inconvenience which may be caused by the movement of dogs out of Great Britain by persons imperfectly acquainted with the regulations, but they think that a greater service might be rendered to those concerned if the Order and its requirements could be published more widely abroad, and this would appear to be especially desirable in the case of the Colonies.

I am, therefore, desired to ask you to be so good as to move the Secretary of State to cause copies of the Press Notice, and of the Order and of the Memorandum A 214 to be again sent to the Governors of Colonies, the High Commissioner for Canada, and the Agents General and other colonial representatives to whom copies of the Order and the Memorandum have already been forwarded, with a request that steps may be taken to disseminate the information in their respective countries as widely as possible.

The Board feel it their duty to omit no step which may have the result of mitigating the effect of an

Order, the enforcement of which, unfortunately, must at first be expected to interfere very considerably with the convenience of a section of the travelling public, and it is upon these grounds that they seek the co-operation and assistance of your Department and of the various Authorities representing the Colonies.

I am, Sir,

Your obedient servant,

T. H. ELLIOTT,  
Secretary.

The Under Secretary of State for the Colonies  
Downing Street, S.W.

—  
Enclosure 2.

#### IMPORTATION OF DOGS.

The Board of Agriculture again desire to draw the special attention of the public to the fact that after the 15th of March next the landing in Great Britain of dogs brought from any country except Ireland, the Channel Islands and the Isle of Man, will be subject to Article 2 of the Importation of Dogs Order of 1901, which expressly provides that every imported dog must be detained and isolated at the expense of its owner upon premises in the occupation or under the control of a veterinary surgeon, which shall have been previously approved in writing by the Board for that purpose, for a period of six calendar months, during which period the dog may not be moved from the place of detention except as provided in that Article. This Article does not apply in the case of an imported dog which is intended to be exported from Great Britain within forty eight hours, or of a performing dog, with regard to the detention and isolation of which special conditions will be imposed by the Licence authorizing its landing.

The Memorandum A<sup>10</sup> as to the Importation of Dogs into Great Britain from abroad, dated the 8th August, 1900, will cease to have effect when Article 2 of this Order comes into operation.

T. H. ELLIOTT,  
Secretary.

4, Whitehall Place,  
London, S. W., 26th February, 1902.

#### ORDER OF THE BOARD OF AGRICULTURE.

(Dated 12th December 1901.)

##### IMPORTATION OF DOGS ORDER OF 1901.

The Board of Agriculture, by virtue and in exercise of the powers in them vested under the Diseases of Animals Acts, 1894 and 1896, and of every other power enabling them in this behalf, do order, and it is hereby ordered, as follows:

##### *Restriction on Importation of Dogs.*

1. An imported dog, that is to say, a dog brought to Great Britain from any other country, except Ireland, the Channel Islands and the Isle of Man, shall not be landed in Great Britain unless its landing is authorized by a licence of the Board previously obtained, and when landed it shall be subject to the provisions of this Order, and to the conditions inserted in any licence authorizing its landing.

##### *Detention and Isolation of Imported Dogs.*

2.—(1.) An imported dog shall, for a period of six calendar months after its landing, be detained and isolated at the expense of its owner upon premises in the occupation, or under the control, of a veterinary surgeon, which shall have been previously approved in writing by the Board for that purpose, and such premises are in this Order referred to as the "place of detention."

(2.) During the said period the dog shall not be moved from the place of detention except to another place of detention or to a vessel for exportation, and in either case only with a licence of the Board authorizing such movement.

(3.) This Article shall not apply to (a) an imported dog which is shown to the satisfaction of the Board to be a *bonâ fide* performing dog; or (b) to an imported dog which is intended to be exported from Great

Britain within forty-eight hours after its landing; but every such dog shall be subject to the other Articles of this Order.

(4.) This Article shall come into operation on the fifteenth day of March, one thousand nine hundred and two.

##### *Conditions of Licence.*

3. The Board may insert in any licence granted by them under this Order authorizing the landing of an imported dog such conditions as they think necessary or desirable for the following purposes:

- (i.) for prescribing and regulating the detention and isolation of the dog so far as the same is not prescribed and regulated by this Order;
- (ii.) for prescribing the person by whom and the premises on which the dog shall be detained and isolated;
- (iii.) for regulating the movement of the dog to the place of detention, or vessel for exportation, and for prohibiting or regulating its movement during a period of six calendar months after its landing, or until its exportation, as the case may be;
- (iv.) for prescribing the confinement of the dog in a suitable hamper, crate, box, or other receptacle during the movement of the dog by railway, or along a highway or thoroughfare;
- (v.) for prescribing the mode of isolation of the dog;
- (vi.) for prescribing the muzzling of the dog;
- (vii.) for prescribing the notice to be given of the death or loss of the dog, or of any matter arising in connection with the movement, detention, or isolation of the dog and the persons by whom and to whom the notice is to be given; and
- (viii.) for prescribing the production of a licence for inspection by an officer of the Board, or constable, or officer of Customs.

##### *Notice of Detention in case of Illegal Landing.*

4.—(1.) Where an imported dog has been landed in contravention of this Order or of any Order hereby revoked, the Board, or an Inspector of the Board, may give notice to the owner or person in charge of the dog requiring that, within a time specified in such notice, the dog shall be moved (a) to a vessel for exportation, or (b) to a place of detention for the purpose of detention and isolation in accordance with the provisions of such notice.

(2.) Such provisions may be inserted in the notice as the Board may think necessary or desirable for any of the purposes mentioned in the preceding Article.

(3.) A notice under this Article may, subject to any instructions issued by the Board, be given by an Inspector of the Local Authority.

(4.) If the owner or person in charge of the dog, after receipt of such notice, fails to move the dog as required by the notice, he shall be deemed guilty of an offence against the Act of 1894.

##### *Withdrawal of Licence in cases of Default.*

5.—(1.) If the owner or person in charge of an imported dog is convicted of an offence under this Order in relation to the dog, the Board, or an Inspector of the Board, may give notice to such owner or person in charge, requiring him to move the dog to a vessel for exportation within a time specified in such notice.

(2.) If the owner or person in charge of the dog, after receipt of such notice, fails to move the dog as required by the notice, he shall be deemed guilty of an offence against the Act of 1894.

##### *Re-landing prohibited of Imported Dogs moved to Vessels for Exportation.*

6. An imported dog which has been moved to a vessel for exportation in accordance with a licence or notice under this Order shall not be re-landed in Great Britain without a licence of the Board authorizing such landing.

##### *Seizure of Dogs in case of Default.*

7.—(1.) If an imported dog is not detained and isolated as required by this Order or by the conditions or provisions of any licence or notice thereunder, an Inspector of the Board may seize the dog and thereupon the Board shall detain and isolate it at the place of detention specified in the licence or notice, or any

other place of detention, selected by them, in accordance with the requirements of this Order or the said conditions or provisions.

(2.) If the owner of the dog does not, within ten days after the expiration of the period of detention specified in this Order or in the licence or notice, claim the said dog from the Board and pay to them their expenses of detaining and isolating the dog, the Board may destroy or otherwise dispose of the dog as they think expedient.

*Proceedings under Customs Acts for Unlawful Landing.*

8.—(1.) If any person lands or attempts to land a dog in contravention of this Order, he shall be liable, under and according to the Customs Acts, to the penalties imposed on persons importing or attempting to import goods the importation whereof is prohibited by or under the Customs Acts, without prejudice to any proceedings against him under the Act of 1894 for an offence against that Act.

(2.) The dog in respect whereof the offence is committed shall be forfeited under and according to the Customs Acts in like manner as goods the importation whereof is prohibited by or under the Customs Acts.

*Detention of Dogs on Vessels in Port.*

9.—(1.) Every dog to which this Article applies shall at all times while on board a vessel in any port in Great Britain be—

(a) secured to some part of the vessel by a collar and chain and muzzled with a wire cage muzzle so constructed as to render it impossible for such dog while wearing the same to bite any person or animal, but not so as to prevent such dog from breathing freely or lapping water; or

(b) confined in an inclosed part of the vessel from which the dog cannot escape.

(2.) If any dog to which this Article applies shall die, or be lost from a vessel, in any port in Great Britain, the person in charge of the dog shall forthwith give notice of such death or loss to the Board.

(3.) The provisions of this Article shall apply to every imported dog which is not accompanied by a licence issued by the Board authorizing the landing of such dog in Great Britain.

*Extension of certain Sections of Diseases of Animals Act, 1894.*

10. Dogs shall be animals, and rabies shall be a disease, for the purposes of the following sections of the Act of 1894 (namely):

Section forty-three (powers of police);

Section forty-four (powers of inspectors);

Section fifty-six (unlawful landing);

## IMPORTATION OF DOGS ORDER OF 1901.

The Board of Agriculture desire to draw the attention of Local Authorities and of the public generally to the provisions of this Order, which regulates the landing in Great Britain of dogs brought from any country except Ireland, the Channel Islands, or the Isle of Man.

This Order, which consolidates and amends the Importation of Dogs Order of 1897 and the Orders amending it, takes effect from the 1st of January, 1902, except as to Article 2 which is particularly referred to hereafter. It will be observed that no imported dog is allowed to be landed in Great Britain without a licence of the Board of Agriculture obtained previous to landing.

Until the 15th March next, the landing of dogs will be authorized under substantially the same conditions as to detention and isolation as have hitherto obtained. After the 15th March the landing of dogs will be subject to Article 2 of the Order, which expressly provides that every imported dog must be detained and isolated at the expense of its owner upon premises in the occupation or under the control of a veterinary surgeon, which shall have been previously approved in writing by the Board for that purpose, for a period of six calendar months, during which period the dog may not be moved from the place of detention except as provided in that Article. This article does not apply in the case of an imported dog which is intended to be exported from Great Britain within forty-eight hours, or of a performing dog, with regard to the detention and isolation of which special conditions will be imposed by the Licence authorizing its landing.

## CONDITIONS OF LICENCES.

The Board may insert in any Licence granted by them authorizing the landing of an imported dog, such further conditions as they think necessary or desirable for prescribing and regulating the detention and isolation of the dog, upon the place of detention authorized in the Licence, or for any of the purposes set forth in Article 3 of the Order.

Every dog which is brought to Great Britain from any other country except Ireland, the Channel Islands, or the Isle of Man, and which is not accompanied by a Licence issued by the Board of Agriculture authorizing the landing of the dog in Great Britain must at all times while on board a vessel in any port in Great Britain be (a) secured to some part of the vessel by a collar and chain and muzzled with a wire cage muzzle so constructed as to render it impossible for such dog while wearing the same to bite any person or animal, but not so as to prevent such dog from breathing freely or lapping water; or (b) confined in an inclosed part of the vessel from which the dog cannot escape. And if any such dog die, or be lost from such a vessel, the person in charge of the dog is required forthwith to give notice of such death or loss to the Board.

The Memorandum A<sup>1</sup> as to the Importation of Dogs into Great Britain from abroad, dated the 8th August, 1900, will cease to have effect when Article 2 of this Order comes into operation.

In order that as little inconvenience as possible may be caused in the enforcement of the Order, the Board trust that local authorities will assist them by taking steps to make its contents known as widely as possible in their districts.

Secretary.

## NOTICE TO MARINERS.

No. 16 of 1902.

All bearings, unless otherwise noted, are magnetic and are given from seaward, miles are nautical miles, heights are above high water, and all depths are at mean low water.

### QUEBEC.

(52) RIVER ST. LAWRENCE—BARRETT LEDGE—CHANGE IN COLOUR OF GAS AND BELL BUOY.

When the gas and bell buoy marking Barrett ledge, river St. Lawrence below Quebec, is placed in position this year, it will be changed in colour from chequered black and white to red, with the words "Barrett ledge" in white letters on the body of the buoy, and will thereafter be maintained as a red buoy.

(53) RIVER ST. LAWRENCE—TRAVERSE OF ST. ROCH—CHARACTERISTIC OF LIGHT AT UPPER END.

The light shown from the permanent lighthouse on the pier at the upper end of the Traverse of St. Roch, River St. Lawrence below Quebec, will, on the opening of navigation in 1902, be changed from a fixed white catoptric light to an occulting white light giving flashes of 8 seconds' duration, with intervals of 8 seconds between the flashes. The light is elevated 47 feet

above high water mark and should be visible 12 miles from all points of approach. The beam of light in the ship channel will be stronger than that shown in other directions. The illuminating apparatus is dioptric of the third order. The illuminant will be compressed gas, but the light will be watched.

The temporary wooden lantern which originally surmounted this tower has been replaced by a polygonal iron lantern painted red. In other respects the station is as described in notice to mariners No. 91 of 1900, part i.

The sailing directions given therein require emendation in consequence of the change in 1901 in the position of the light-ship marking the lower end of the Traverse. They should now read as follows :

Algernon rock in one with Upper Traverse light marks very closely the position of Lower Traverse lightship, now moored off the northwest point of the shoals of St. Roch. Vessels inward bound can enter the Traverse safely either by bringing Lower Traverse lightship in one with Upper Traverse light or, in the absence of the lightship, by bringing Upper Traverse light in one with Stone Pillar light. When a mile below the lightship they should shape a course to pass it  $1\frac{1}{2}$  cables distant, leaving it on the port hand. From this point the course through the Traverse is S. W.  $\frac{1}{2}$  W. keeping Stone Pillar and Algernon rock lights open northward of Upper Traverse light. From off Upper Traverse light the course to leave Channel patch gas buoy on the starboard hand is S.W.  $\frac{1}{2}$  S. The course usually taken leaves Upper Traverse light 2 cables distant to southward in passing.

Variation in 1902 :  $20^{\circ}$  westerly.

(54) RIVER ST. LAWRENCE—BEAUJEU BANK—CHANGE IN COLOUR OF GAS BUOY.

When the gas buoy marking the channel over the bar at the west end of Beaujeu bank, off Crane island, river St. Lawrence below Quebec, is placed in position this year, it will be changed in colour from white, to red and black in horizontal bands, with the words "Beaujeu bank" in white letters on the body of the buoy, and will thereafter be maintained as a middle ground buoy.

Lat. N.  $47^{\circ} 4' 11''$

The spar buoy which replaces this gas buoy when it is removed for the winter, will hereafter also be changed in colour from white to red and black in horizontal bands.

Circulaire.

DOWNING STREET,  
11 mars 1902.

MONSIEUR,—Relativement à ma dépêche circulaire du 28 de décembre dernier concernant l'importation dans la Grande-Bretagne de chiens venant de l'étranger, j'ai l'honneur de vous transmettre, pour le renseignement de votre gouvernement, copie d'une lettre du Conseil de l'Agriculture renfermant copie d'un avis ultérieur sur le sujet qui a été distribué à la presse de ce pays, et qui attire l'attention sur l'utilité de donner, dans les colonies, une grande publicité à

l'arrêté du 12 de décembre 1901, et au memorandum A 214a, dont copies vous sont transmises avec la présente.

J'ai l'honneur d'être,

### COMITÉ DE L'AGRICULTURE,

4 WHITEHALL PLACE,  
LONDRES, S. W., 1er mars 1902.

N° A. 6663/1902.

MONSIEUR,—Je suis chargé par le Conseil de l'Agriculture de mentionner la lettre de M. Graham du 31 décembre dernier, informant le conseil, en réponse à sa communication du 12 décembre, que des copies de l'Arrêté de 1901 concernant les chiens, et du memorandum s'y rapportant, seraient transmises, comme la chose a déjà été faite, aux divers représentants des colonies dans ce pays et à l'étranger, et je dois dire que nonobstant la grande publicité qui a déjà été donnée aux dispositions de l'arrêté, le conseil a distribué à la presse un avis ultérieur, dont copies sont incluses, pour rappeler au public que le 15 du courant est la date où les chiens importés seront soumis à une détention quarantenaire de six mois à un établissement vétérinaire approuvé à cette fin. Par ce moyen le conseil espère réduire considérablement les ennuis qu'entraînerait le déplacement des chiens en dehors de la Grande-Bretagne par des personnes peu au fait des règlements, mais il croit qu'un plus grand service pourrait être rendu aux personnes intéressées si l'arrêté et ses stipulations étaient plus répandus à l'étranger, et particulièrement dans les colonies.

Je suis donc chargé de vous prier de bien vouloir porter le Secrétaire d'Etat à faire envoyer une seconde fois des copies de l'avis à la presse et de l'arrêté et du memorandum A 214 aux gouverneurs des colonies, au haut commissaire pour le Canada, et aux agents généraux et autres représentants coloniaux auxquels des copies de l'arrêté et du memorandum ont déjà été envoyées, avec prière que des mesures soient prises pour répandre l'information dans leurs pays respectifs aussi largement que possible.

Le conseil croit de son devoir de n'omettre rien qui pourrait mitiger l'effet d'un arrêté dont l'exécution doit malheureusement avoir l'effet de gêner considérablement le confort d'une partie du public voyageur, et c'est pour cette raison qu'il cherche la co-opération et l'aide de votre département et des diverses autorités représentant les colonies.

Je suis, monsieur,  
Votre obéissant serviteur,  
T. H. ELLIOTT,  
Secrétaire.

### IMPORTATION DES CHIENS.

Le Conseil de l'Agriculture désire encore attirer l'attention spéciale du public sur le fait qu'après le 15 de mars prochain le débarquement dans la Grande-Bretagne de chiens amenés de tout pays autre que l'Irlande, les îles de la Manche et l'île de Man, sera assujéti à l'article 2 de l'Arrêté de 1901 concernant l'importation des chiens, qui déclare expressément que chaque chien importé doit être détenu et isolé aux frais de son propriétaire sur des lieux occupés ou contrôlés par un vétérinaire, préalablement approuvés par écrit du conseil à cette fin, pendant une période de six mois de calendrier, période pendant laquelle le chien ne pourra être déplacé de l'endroit de détention sauf de la manière prescrite par le dit article.

Cet article ne s'applique pas dans le cas d'un chien importé que l'on a l'intention d'exporter de la Grande-Bretagne dans les quarante-huit heures, ou d'un chien dressé, pour la détention et isolation duquel des conditions spéciales seront imposées par la licence qui autorise son débarquement.

Le memorandum A<sup>1</sup> touchant l'importation dans la Grande-Bretagne de chiens de l'étranger, daté le 8 d'août 1900, cessera d'avoir effet lorsque l'article 2 du présent arrêté entrera en vigueur.

# ARRÊTÉ DU CONSEIL DE L'AGRICULTURE.

(Daté 12 décembre 1901).

## ARRÊTÉ DE 1901 CONCERNANT L'IMPORTATION DES CHIENS.

Le Conseil de l'Agriculture, dans l'exercice des pouvoirs qui lui sont conférés par les Actes concernant les maladies des animaux, 1894 et 1896, et de tout autre pouvoir lui appartenant, ordonne, et il est par le présent ordonné, comme suit :—

### *Restriction à l'importation des chiens.*

1. Un chien importé, c'est-à-dire un chien amené à la Grande-Bretagne de tout pays autre que l'Irlande, les îles de la Manche et l'île de Man, ne sera débarqué dans la Grande-Bretagne que si son débarquement est autorisé par une licence préalablement obtenue du conseil, et une fois débarqué il sera assujéti aux dispositions du présent arrêté et aux conditions insérées dans toute licence autorisant son débarquement.

### *Détention et isolement des chiens importés.*

2.—(1) Un chien importé sera, pendant une période de six mois de calendrier après son débarquement, détenu et isolé aux frais de son propriétaire sur des lieux occupés ou contrôlés par un vétérinaire, préalablement approuvés à cette fin par écrit du conseil, et ces lieux sont appelés dans le présent arrêté "endroit de détention".

(2) Pendant la dite période le chien ne sera pas déplacé de l'endroit de détention sauf à un autre endroit de détention ou à un vaisseau pour exportation, et dans l'un ou l'autre cas qu'avec une licence du conseil autorisant ce déplacement.

(3) Le présent article ne s'appliquera pas (a) à un chien importé qui est reconnu par le conseil comme chien dressé; ou (b) à un chien importé que l'on se propose d'exporter de la Grande-Bretagne sous quarante-huit heures après son débarquement; mais chaque tel chien sera assujéti aux autres articles du présent arrêté.

(4) Le présent article deviendra exécutoire le quinzième jour de mars mil neuf cent deux.

### *Conditions des licences.*

3. Le conseil pourra insérer, dans toute licence qu'il délivrera en vertu du présent arrêté autorisant le débarquement d'un chien importé, les conditions qu'il jugera nécessaires ou désirables pour les fins suivantes :—

- (i) prescrire et réglementer la détention et isolement du chien, en tant que la chose n'est pas prescrite et réglementée par le présent arrêté.
- (ii) désigner la personne qui détiendra le chien et l'endroit où il sera isolé;
- (iii) réglementer le mouvement du chien à l'endroit de détention, ou au vaisseau pour l'exportation, et prohiber ou réglementer son mouvement pendant une période de six mois de calendrier après son débarquement, ou jusqu'à son exportation, selon le cas;
- (iv) prescrire comment sera renfermé un chien dans un panier, boîte ou autre réceptacle pendant son transport par chemin de fer, ou le long d'un grand chemin ou route;
- (v) prescrire le mode d'isolement du chien;
- (vi) prescrire le musèlement du chien;
- (vii) prescrire l'avis à donner de la mort ou perte du chien, ou de toute chose provenant du déplacement, détention ou isolement du chien, et les personnes auxquelles l'avis sera donné, et qui le donneront; et
- (viii) prescrire la production d'une licence pour inspection par un officier du conseil, ou constable, ou officier des douanes.

### *Avis de détention en cas de débarquement illégal.*

4.—(1) Lorsqu'un chien importé a été débarqué en contravention du présent arrêté ou de tout arrêté révoqué par le présent, le conseil, ou un inspecteur du conseil, pourra donner avis au propriétaire ou personne en charge du chien et joignant que sous un délai spécifié dans cet avis, le chien soit transporté (a) à un vaisseau pour exportation, ou (b) à un endroit de détention pour y être détenu et isolé conformément aux dispositions de cet avis.

(2) Le conseil insérera dans l'avis les dispositions qu'il jugera nécessaires ou désirables pour les fins mentionnées au précédent article.

(3) Un avis en vertu du présent article pourra être donné par un inspecteur de l'autorité locale, sujet aux instructions données par le conseil.

(4) Si le propriétaire ou personne en charge du chien, après réception de cet avis, manque de déplacer le chien tel que requis par l'avis, il sera réputé coupable de contravention à l'Acte de 1894.

### *Retrait de la licence, pour cause de défaut.*

5.—(1) Si le propriétaire ou personne en charge d'un chien importé est convaincu d'une contravention au présent arrêté relativement au chien, le conseil, ou un inspecteur du conseil, pourra donner avis à ce propriétaire ou personne en charge, l'enjoignant de transporter le chien à un vaisseau pour exportation dans un délai spécifié dans l'avis.

(2) Si le propriétaire ou personne en charge du chien, après réception de cet avis, manque de transporter le chien tel que requis par l'avis, il sera réputé coupable d'infraction à l'Acte de 1894.

### *Défense de débarquer de nouveaux chiens importés transportés à des vaisseaux pour exportation.*

6. Un chien importé qui a été mis à bord d'un vaisseau pour exportation conformément à une licence ou avis en vertu du présent arrêté, ne sera pas débarqué de nouveau dans la Grande-Bretagne sans une licence du conseil autorisant ce débarquement.

### *Saisie des chiens en cas de défaut.*

7.—(1) Si un chien importé n'est pas détenu et isolé tel que le veut le présent arrêté, ou tel que le prescrivent les conditions ou dispositions de toute licence ou avis en vertu d'icelui, un inspecteur du conseil pourra saisir le chien et là-dessus le conseil le détiendra et isolera à l'endroit de détention spécifié dans la licence ou avis, ou à tout autre endroit de détention choisi par lui, conformément aux exigences du présent arrêté, ou aux dites conditions ou dispositions.

(2) Si le propriétaire du chien ne le réclame pas sous dix jours après l'expiration de la période de détention spécifiée dans le présent arrêté ou dans la licence ou avis, et ne paie les frais de détention et d'isolement, le conseil pourra détruire ou autrement disposer du chien selon qu'il le croira bon.

### *Poursuites en vertu des lois douanières pour débarquement illégal.*

8.—(1) Si quelqu'un débarque ou tente de débarquer un chien en contravention du présent arrêté, il se rendra passible, en vertu des lois douanières, aux peines imposées aux personnes important ou tentant d'importer des marchandises dont l'importation est défendue par ou en vertu des Actes des douanes, sans préjudice de toutes poursuites contre lui en vertu de l'Acte de 1894 pour contravention à cet acte.

(2) Le chien à l'égard duquel l'infraction est commise sera confisqué en vertu des lois douanières comme le sont les marchandises dont l'importation est défendue par les lois douanières.

### *Détention des chiens sur les vaisseaux dans le port.*

9.—(1) Chaque chien auquel s'applique le présent acte sera tout le temps qu'il sera à bord d'un vaisseau dans un port de la Grande-Bretagne—

(a) attaché à quelque partie du vaisseau au moyen d'un collier et d'une chaîne et muselé par une muselière en fil métallique construite de manière à mettre le chien qui la porte dans l'impossibilité de mordre une personne ou un chien, mais non l'empêcher de respirer librement ou de laper de l'eau, ou

(b) enfermé dans une partie du vaisseau d'où le chien ne peut s'échapper.

(2) Si un chien auquel s'applique le présent article meurt, ou est perdu d'un vaisseau dans un port de la Grande-Bretagne, la personne en charge du chien avertira immédiatement le conseil de cette mort ou perte.

(3) Les dispositions du présent article s'appliqueront à chaque chien importé qui n'est pas accompagné d'une licence délivrée par le conseil autorisant le débarquement de ce chien dans la Grande-Bretagne.

*Application de certains articles de l'Acte concernant les maladies des animaux, 1894.*

#### *Arrêtés révoqués.*

13.—(1) Les arrêtés décrits dans l'annexe du présent arrêté, sont par le présent révoqués à compter du commencement du présent arrêté : pourvu que cette révocation n'aura pas l'effet d'invalider ou de rendre

illégal aucun acte fait en vertu d'un arrêté révoqué par le présent ni ne modifiera une licence ou autorité accordée, ou un droit, titre, obligation ou responsabilité acquis en vertu d'icelui avant le commencement du présent arrêté, ni ne gênera l'institution ou la poursuite de toute action au sujet d'une infraction commise à un arrêté révoqué par le présent, ou une amende encourue avant le commencement du présent arrêté.

(2) Une licence délivrée en vertu d'un arrêté révoqué par le présent, aura, dès et après le commencement du présent arrêté, le même effet que si elle avait été délivrée en vertu du présent arrêté, et pourra être mise à exécution en conséquence.

#### CONSEIL DE L'AGRICULTURE.

##### ARRÊTÉ DE 1901 CONCERNANT L'IMPORTATION DES CHIENS.

Le Conseil de l'Agriculture désire attirer l'attention des autorités locales et du public généralement aux dispositions du présent arrêté qui réglemente le débarquement dans la Grande-Bretagne de chiens amenés de tout pays autre que l'Irlande, les îles de la Manche, ou l'île de Man.

Le présent arrêté qui refond et modifie l'Arrêté de 1897 concernant l'importation des chiens, et les arrêtés qui le modifient, devient exécutoire le 1er de janvier 1902, sauf quant à l'article 2 qui est plus particulièrement mentionné plus loin. L'on remarquera que nul chien importé ne peut être débarqué dans la Grande-Bretagne sans une licence du Conseil de l'Agriculture obtenue avant le débarquement.

Jusqu'au 15 de mars prochain, le débarquement des chiens sera autorisé, en substance, aux mêmes conditions quant à la détention et l'isolement qu'autrefois. Après le 15 de mars le débarquement des chiens sera assujéti à l'article 2 de l'arrêté, qui déclare expressément que chaque chien importé doit être détenu et isolé aux frais de son propriétaire sur des lieux occupés ou sous le contrôle d'un vétérinaire, qui auront été préalablement approuvés à cette fin par écrit du conseil,

pour une période de six mois de calendrier, période durant laquelle le chien ne peut être sorti du lieu de détention qu'en la manière prévue par le dit article. Cet article ne s'applique pas dans le cas d'un chien que l'on se propose d'exporter de la Grande-Bretagne sous quarante-huit heures, ou d'un chien dressé, à l'égard desquels les conditions spéciales seront imposées par la licence qui autorise le débarquement.

#### CONDITIONS DES LICENCES.

Le conseil peut insérer dans toute licence qui autorise le débarquement d'un chien importé, toutes autres conditions qu'il jugera nécessaires ou à propos pour réglementer la détention ou l'isolement du chien à l'endroit de détention autorisé dans la licence, ou pour aucune des fins énoncées dans l'article 3 de l'arrêté.

Chaque chien qui est amené à la Grande-Bretagne de tout pays autre que l'Irlande, les îles de la Manche, ou l'île de Man, et qui n'est pas accompagné d'une licence délivrée par le Conseil de l'Agriculture autorisant le débarquement du chien dans la Grande-Bretagne doit, tout le temps qu'il est à bord d'un vaisseau dans un port quelconque de la Grande-Bretagne, (a) être attaché à quelque partie du vaisseau au moyen d'un collier et d'une chaîne, et muselé par une muselière en fil métallique construite de manière à mettre le chien qui la porte dans l'impossibilité de mordre une personne ou un chien, mais non l'empêcher de respirer librement ou de laper de l'eau ; ou (b) enfermé dans une partie du vaisseau d'où le chien ne peut s'échapper. Et si un tel chien meurt, ou est perdu de ce vaisseau, la personne en charge du chien est tenue d'avertir immédiatement le conseil de cette mort ou perte.

Le memorandum A 1<sup>er</sup> concernant l'importation des chiens dans la Grande-Bretagne, de l'étranger, daté le 8 août 1900, cessera d'être exécutoire lorsque l'article 2 du présent entrera en vigueur.

Afin que la mise à exécution de l'arrêté cause le moins d'ennuis possible, le conseil espère que les autorités locales l'aideront à bien faire connaître ses dispositions dans leurs districts respectifs.

Secrétaire.

### (52) FLEUVE SAINT-LAURENT—RÉCIF BARRETT— CHANGEMENT DANS LA COULEUR DE LA BOUÉE À GAZ ET À CLOCHE.

Lorsque la bouée à gaz et à cloche qui indique le récif Barrett, fleuve Saint-Laurent en bas de Québec, sera mise en position cette année, sa couleur sera changée de noir et blanc croisé à rouge, avec les mots "Barrett ledge" en lettres blanches sur le corps de la bouée, et sera dès lors entretenue comme bouée rouge.

### (53) FLEUVE SAINT-LAURENT—TRAVERSE DE ST-ROCH—NATURE DU FEU D'EN HAUT.

A l'ouverture de la navigation en 1902, le feu montré du phare permanent sur la jetée en haut de la Traverse de St-Roch, fleuve St-Laurent en bas de Québec, sera changé de feu blanc fixe catoptrique en feu blanc à occultations donnant des éclats de 8 secondes de durée, avec des intervalles de 8 secondes entre les éclats. Le feu est à 47 pieds au-dessus de la marque des hautes eaux et devrait être visible à 12 milles de tous les points d'approche. Le rayon de lumière dans le chenal des navires sera plus fort que celui montré dans d'autres directions. L'appareil lumineux est dioptrique du troisième ordre. La lumière sera de gaz comprimé, mais le feu sera surveillé.

La lanterne temporaire en bois qui dans l'origine surmontait cette tour a été remplacée par une lanterne en fer polygone peinturée rouge. Sous d'autres rapports la station est telle que décrite dans l'Avis aux Navigateurs No. 91 de 1900, partie i.

Les instructions pour la navigation seront modifiées vu le changement fait en 1901 dans la position du bateau-feu qui indique le bout d'en bas de la Traverse. Elles se liront comme ci-dessous :—

Le rocher Algernon en conjonction avec le feu de la Traverse d'en haut indique très exactement la position du bateau-feu de la Traverse d'en bas, aujourd'hui ancré au large de la pointe nord-ouest des battures de St-Roch. En remontant, les navires peuvent sans

danger entrer dans la Traverse soit en amenant le bateau-feu de la Traverse d'en bas en conjonction avec le feu de la Traverse d'en haut, ou en l'absence du bateau-feu, en amenant le feu de la Traverse d'en haut en conjonction avec le feu du Pilier de Pierre. A un mille en aval du bateau-feu ils devront gouverner de façon à passer à une encablure et demie de distance, le laissant à bâbord. A partir de ce point la direction dans la Traverse est S.O.  $\frac{1}{2}$  O. tenant les feux du Pilier de Pierre et du rocher Algernon ouverts au nord du feu de la Traverse d'en haut. A partir du feu de la Traverse d'en haut la route à suivre pour laisser à tribord la bouée à gaz sur le haut fond du chenal est S. O.  $\frac{1}{2}$  S. La route ordinairement suivie laisse le feu de la Traverse d'en haut à 2 encablures au sud en passant.

Variation en 1902 : 20° ouest.

(54) FLEUVE ST-LAURENT—BATTURE BEAUJEU—  
CHANGEMENT DANS LA COULEUR DE LA  
BOUÉE À GAZ.

Lorsque la bouée à gaz qui indique le chenal sur la barre au bout ouest de la batture Beaujeu, au large de l'île aux Grues, fleuve St-Laurent en bas de Québec, sera mise en position cette année, sa couleur sera changée de blanc à bandes horizontales rouges et noires, avec les mots "Beaujeu bank" en lettres blanches sur le corps de la bouée, et sera dès lors maintenue comme bouée de *middle ground*.

La bouée-espar qui remplace cette bouée à gaz lorsqu'elle sera enlevée pour l'hiver, sera aussi changée de

couleur de blanc à bandes horizontales rouges et noires.

(55) FLEUVE ST-LAURENT—GROSSE-ÎLE—CHANGE-  
MENT DANS LA COULEUR DE LA BOUÉE À GAZ  
ET NATURE DU FEU.

Lorsque la bouée à gaz sur l'extrémité ouest de l'île Margaret, fleuve St-Laurent en bas de Québec, sera mise en position cette année, sa couleur sera changée de jaune à rouge, avec les mots "Quarantine" en lettres jaunes sur le corps de la bouée; et la nature du feu sera changée de blanc fixe à blanc à occultations. Après cela la bouée sera maintenue comme bouée de tribord, et le feu sera obscurci à de courts intervalles.

DEMANDES AU PARLEMENT.

RÈGLES *in re* AVIS DE BILLS PRIVÉS.

Dans le cas de toute demande de bills privés, proprement du ressort législatif du Parlement du Canada suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, ayant pour objet la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, ou le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société ; ou ayant pour objet quelque amendement à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande (sauf s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit :—

*Dans les provinces de Québec et du Manitoba.*

Dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français, du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district ; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

*Dans les autres provinces ou territoires.*

Dans la *Gazette du Canada*, et dans un journal du comté, du district ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal alors la publication doit se faire dans un journal du comté ou district le plus voisin où il s'en publie. La publication de ces avis durera, dans chaque cas, la période de deux mois au moins pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Des exemplaires marqués de tous les numéros des journaux reproduisant

la première et la dernière insertion de l'avis, devront être transmis au greffier de chaque chambre, et porter à l'enclos "Demande de bill privé."

Toute personne désirant obtenir un bill privé devra, dans les huit jours au moins qui précéderont l'ouverture du parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Après la seconde lecture et avant la prise en considération du bill par tout comité, le pétitionnaire aura aussi à payer au greffier du Sénat, ou au comptable de la Chambre des Communes (selon le cas) un honoraire de \$200, plus une somme suffisante pour défrayer le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé.

L'honoraire de \$200 payable sur tout bill privé, ne sera payé que dans la Chambre où ce bill a pris naissance ; mais les frais de réimpression et de traduction nécessités par ce bill seront payés dans la Chambre où ces frais sont encourus.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par le Sénat ou par la Chambre des Communes, après les premières trois semaines de la session.

## ORDER IN COUNCIL.

BELGIAN EXTRADITION TREATY.

*Saint James's, 6th March, 1902.*

AT the Court at *Saint James's*, the 6th day of March 1902.

PRESENT :

The KING'S Most Excellent Majesty.

Lord President.

Earl of Kintore.

Lord James of Hereford.

Sir Arthur Wilson.

WHEREAS by The Extradition Acts, 1870 to 1895, it is amongst other things enacted that, where an arrangement has been made with any foreign State with respect to the surrender to such State of any fugitive criminals, His Majesty may, by Order in Council, direct that the said Acts shall apply in the case of such foreign State ; and that His Majesty may, by the same or any subsequent Order, limit the operation of the Order, and restrict the same to fugitive criminals who are in or suspected of being in the part of His Majesty's dominions specified in the Order, and render the operation thereof subject to such conditions, exceptions, and qualifications as may be deemed expedient.

And whereas a Treaty was concluded on the twenty-ninth day of October, one thousand nine hundred and one, between His Majesty and His Majesty the King of

the Belgians for the mutual extradition of fugitive criminals, which Treaty is in the terms following:—

His Majesty the King of the United Kingdom of Great Britain and Ireland, Emperor of India, and His Majesty the King of the Belgians, having mutually resolved to conclude a new Treaty for the extradition of criminals, the said High Contracting Parties have named as their Plenipotentiaries to conclude a Treaty for this purpose, that is to say:—

His Majesty the King of the United Kingdom of Great Britain and Ireland, Emperor of India, Constantine Phipps, Esquire, Companion of the Most Honourable Order of the Bath, His Envoy Extraordinary and Minister Plenipotentiary to His Majesty the King of the Belgians; and

His Majesty the King of the Belgians, the Baron de Favereau, Knight of His Order of Leopold, Member of the Senate, His Minister of Foreign Affairs:

Who, after having communicated to each other their respective full powers, found in good and due form, have agreed upon the following Articles:—

#### ARTICLE I.

It is agreed that His Britannic Majesty and His Majesty the King of the Belgians shall, on requisition made in their name by their respective Diplomatic Agents, deliver up to each other reciprocally, under the circumstances and conditions stated in the present Treaty, any persons who, being accused or convicted as principals or accessories, of any of the crimes hereinafter specified, committed within the territories of the requiring party, shall be found within the territories of the other party:—

1. Murder (including assassination, parricide, infanticide, poisoning), or attempt, or conspiracy to murder, in cases jointly provided for by the laws of the two countries.

2. Administering drugs or using instruments with intent to procure the miscarriage of women.

3. Manslaughter.

4. Bigamy.

5.—(a.) Counterfeiting or altering money, or uttering counterfeit or altered money.

(b.) Knowingly making, without lawful authority, any instrument, tool, or engine adapted and intended for the counterfeiting of the coin of the Realm.

6. Abandoning children, exposing or unlawfully detaining them.

7. Forgery, counterfeiting or altering, or uttering what is forged, counterfeited or altered.

8. Any malicious act done with intent to endanger persons in a railway train.

9. Embezzlement or larceny.

10. Receiving any chattel, money, valuable security, or other property, knowing the same to have been embezzled, stolen, or feloniously obtained.

11. Obtaining money, goods, or valuable securities by false pretenses.

12. Crimes by bankrupts against bankruptcy law.

13. Fraud by a bailee, banker, agent, factor, trustee, or director, or member or public officer of any company, made criminal by any law for the time being in force.

14. Rape.

Carnal knowledge, or any attempt to have carnal knowledge, of a girl under 16 years of age so far as such acts are punishable by the law of the State upon which the demand is made.

Indecent assault. Indecent assault without violence upon children of either sex under 13 years of age.

27. Malicious injury to property, if the offence be indictable.

28. Assault occasioning actual bodily harm. Malicious wounding or inflicting grievous bodily harm.

29. Offences in connection with the Slave Trade punishable by the laws of both States.

Provided that the surrender shall be made only when, in the case of a person accused, the commission of the crime shall be so established as that the laws of the country where the fugitive or person accused shall be found would justify his apprehension and commitment for trial if the crime had been there committed, and in the case of a person alleged to have been convicted, on such evidence as, according to the laws of the country where he is found, would prove that he had been convicted.

In no case can the surrender be made unless the crime shall be punishable according to the laws in force in both countries with regard to extradition.

In no case, nor on any consideration whatever, shall the High Contracting Parties be bound to surrender their own subjects, whether by birth or naturalization.

#### ARTICLE II.

In the dominions of His Britannic Majesty, other than the Colonies or foreign possessions of His Majesty, the manner of proceeding shall be as follows:—

1. In the case of a person accused:—

The requisition for the surrender shall be made to His Britannic Majesty's Principal Secretary of State for Foreign Affairs by the Minister or other Diplomatic Agent of His Majesty the King of the Belgians, accompanied by a warrant of arrest or other equivalent judicial document issued by a Judge or Magistrate duly authorized to take cognizance of the acts charged against the accused in Belgium, together with duly authenticated depositions or statements taken on oath or upon solemn affirmation before such Judge or Magistrate, clearly setting forth the said acts, and containing a description of the person claimed, and any particulars which may serve to identify him.

The said Secretary of State shall transmit such documents to His Britannic Majesty's Principal Secretary of State for the Home Department, who shall then, by order under his hand and seal, signify to some Police Magistrate in London that such requisition has been made, and require him, if there be due cause, to issue his warrant for the apprehension of the fugitive.

On the receipt of such order from the Secretary of State, and on the production of such evidence as would, in the opinion of the Magistrate, justify the issue of the warrant if the crime had been committed in the United Kingdom, he shall issue his warrant accordingly.

When the fugitive shall have been apprehended, he shall be brought before a competent Magistrate. If the evidence to be then produced shall be such as to justify, according to the law of England, the committal for trial of the prisoner, if the crime of which he is accused had been committed in England, the Magistrate shall commit him to prison to await the warrant of the Secretary of State for his surrender, sending immediately to the Secretary of State a certificate of the committal and a report upon the case.

After the expiration of a period from the committal of the prisoner, which shall never be less than fifteen days, the Secretary of State shall, by order under his hand and seal, order the fugitive criminal to be surrendered to such person as may be duly authorized to receive him on the part of the Government of His Majesty the King of the Belgians.

2. In the case of a person convicted:—

The course of proceeding shall be the same as in the case of a person accused, except that the warrant to be transmitted by the Minister or other Diplomatic Agent in support of his requisition shall clearly set forth the crime of which the person claimed has been convicted, and state the fact, place, and date of his conviction. The evidence to be produced before the Magistrate shall be such as would, according to the law of England, prove that the prisoner was convicted of the crime charged.

After the Magistrate shall have committed the accused or convicted person to prison to await the

order of a Secretary of State for his surrender, such person shall have the right to apply for a writ of *habeas corpus*: if he should so apply, his surrender must be deferred until after the decision of the Court upon the return to the writ, and even then can only take place if the decision is adverse to the applicant.

#### ARTICLE III.

In the dominions of His Majesty the King of the Belgians, other than the Colonies or foreign possessions of His said Majesty, the manner of proceeding shall be as follows:—

##### 1. In the case of a person accused—

The requisition for the surrender shall be made to the Minister for Foreign Affairs of His Majesty the King of the Belgians by the Minister or other Diplomatic Agent of His Britannic Majesty, accompanied by a warrant of arrest or other equivalent judicial document issued by a Judge or Magistrate duly authorized to take cognizance of the acts charged against the accused in Great Britain, together with duly authenticated depositions or statements taken on oath or upon solemn affirmation before such Judge or Magistrate, clearly setting forth the said acts, and containing a description of the person claimed, and any other particulars which may serve to identify him.

The Minister for Foreign Affairs shall transmit the warrant of arrest, with the documents thereto annexed, to the Minister of Justice, who shall forward the same to the proper judicial authority, in order that the warrant of arrest may be put in course of execution by the Chamber of the Council (*Chambre du Conseil*) of the Court of First Instance of the place of residence of the accused, or of the place where he may be found.

The foreigner may claim to be provisionally set at liberty in any case in which a Belgian enjoys that right, and under the same conditions.

The application shall be submitted to the Chamber of the Council (*Chambre du Conseil*).

The Government will take the opinion of the Chamber of Indictments or Investigation (*Chambre des Mises en Accusation*) of the Court of Appeal within whose jurisdiction the foreigner shall have been arrested.

The hearing of the case shall be public, unless the foreigner should demand that it should be with closed doors.

The public authorities and the foreigner shall be heard. The latter may obtain the assistance of counsel.

Within a fortnight from the receipt of the documents they shall be returned, with a reasoned opinion, to the Minister of Justice, who shall decide and may order that the accused be delivered to the person duly authorized on the part of the Government of His Britannic Majesty.

##### 2. In case of a person convicted—

The course of proceeding shall be the same as in the case of a person accused, except that the conviction or sentence of condemnation issued in original, or in an authenticated copy, to be transmitted by the Minister or other Diplomatic Agent in support of his requisition, shall clearly set forth the crime of which the person claimed has been convicted, and state the fact, place, and date of his conviction. The evidence to be produced shall be such as would, according to the Belgian laws, prove that the prisoner was convicted of the crime charged.

#### ARTICLE IV.

A fugitive criminal may, however, be apprehended under a warrant signed by any Police Magistrate, Justice of the Peace, or other competent authority in either country, on such information or complaint, and such evidence, or after such proceedings as would, in the opinion of the person issuing the warrant, justify the issue of a warrant if the crime had been committed or the prisoner convicted in that part of the dominions of the two contracting parties in which he exercises jurisdiction: Provided, however, that, in the United Kingdom, the accused shall, in such case, be sent as speedily as possible before a competent Magistrate. He shall be discharged, as well in the United Kingdom as in Belgium, if within fourteen days a requisition shall not have been made for his surrender by the Diplomatic Agent of the requiring

State in the manner directed by Articles II and III of this Treaty.

The same rule shall apply to the cases of persons accused or convicted of any of the crimes specified in this Treaty, and committed on the high seas on board any vessel of either country which may come into a port of the other.

#### ARTICLE V.

If within two months, counting from the date of arrest, sufficient evidence for the extradition shall not have been presented, the person arrested shall be set at liberty. He shall likewise be set at liberty if, within two months of the day on which he was placed at the disposal of the Diplomatic Agent, he shall not have been sent off to the reclaiming country.

#### ARTICLE VI.

When any person shall have been surrendered by either of the High Contracting Parties to the other, such person shall not, until he has been restored, or had an opportunity of returning to the country from whence he was surrendered, be triable or tried for any offence committed in the other country prior to the surrender, other than the particular offence on account of which he was surrendered.

#### ARTICLE VII.

No accused or convicted person shall be surrendered if the offence in respect of which his surrender is demanded shall be deemed by the party upon which it is made to be a political offence, or to be an act connected with (*connexe à*) such an offence, or if he prove to the satisfaction of the Magistrate, or of the Court before which he is brought on *habeas corpus*, or to the Secretary of State, that the requisition for his surrender has in fact been made with a view to try or to punish him for an offence of a political character.

#### ARTICLE VIII.

Warrants, depositions, or statements on oath issued or taken in the dominions of either of the two High Contracting Parties, and copies thereof, and certificates of or judicial documents stating the fact of conviction, shall be received in evidence in proceedings in the dominions of the other, if purporting to be signed or certified by a Judge, Magistrate, or officer of the country where they were issued or taken:

Provided such warrants, depositions, statements, copies, certificates, and judicial documents are authenticated by the oath or solemn affirmation of some witness, or by being sealed with the official seal of the Minister of Justice, or some other Minister of State.

#### ARTICLE IX.

The surrender shall not take place if, since the commission of the acts charged, the accusation, or the conviction, exemption from prosecution or punishment, has been acquired by lapse of time, according to the laws of the country where the accused shall have taken refuge.

#### ARTICLE X.

If the individual claimed by one of the two High Contracting Parties in pursuance of the present Treaty should be also claimed by one or several other powers, on account of other crimes committed upon their respective territories, his surrender shall be granted to that State whose demand is earliest in date; unless any other arrangement should be made between the Governments which have claimed him, either on account of the gravity of the crimes committed, or for any other reasons.

#### ARTICLE XI.

If the individual claimed should be under process, or condemned by the Courts of the country where he has taken refuge, his surrender may be deferred until he shall have been set at liberty in due course of law.

In case he should be proceeded against or detained in such country on account of obligations contracted towards private individuals, his surrender shall, nevertheless, take place, the injured party retaining his right to prosecute his claims before the competent authority.

## ARTICLE XII.

Every article found in the possession of the individual claimed at the time of his arrest shall, if the competent authority so decide, be seized, in order to be delivered up with his person at the time when the surrender shall be made. Such delivery shall not be limited to the property or articles obtained by stealing or by fraudulent bankruptcy, but shall extend to everything that may serve as proof of the crime. It shall take place even when the surrender, after having been ordered, shall be prevented from taking place by reason of the escape or death of the individual claimed.

The rights of third parties with regard to the said property or articles are, nevertheless, reserved.

## ARTICLE XIII.

Each of the High Contracting Parties shall defray the expenses occasioned by the arrest within its territories, the detention, and the conveyance to its frontier, of the persons whom it may consent to surrender in pursuance of the present Treaty.

## ARTICLE XIV.

The stipulations of the present Treaty shall be applicable to the Colonies and foreign possessions of the two High Contracting Parties.

The requisition for the surrender of a fugitive criminal who has taken refuge in a Colony or foreign possession of either Party shall be made to the Governor or chief authority of such Colony or possession by the chief Consular Officer of the other in such Colony or possession; or, if the fugitive has escaped from a Colony or foreign possession of the Party on whose behalf the requisition is made, by the Governor or chief authority of such Colony or possession.

Such requisitions may be disposed of, subject always, as nearly as may be, to the provisions of this Treaty, by the respective Governors or chief authorities, who, however, shall be at liberty either to grant the surrender or to refer the matter to their Government.

His Britannic Majesty shall, however, be at liberty to make special arrangements in the British Colonies and foreign possessions for the surrender of Belgian criminals who may there take refuge, on the basis, as nearly as may be, of the provisions of the present Treaty.

## ARTICLE XV.

The present Treaty shall come into operation ten days after its publication, in conformity with the laws of the respective countries.

From the day when the present Treaty shall come into force, the Treaty of Extradition between the two countries of the 20th May, 1876; the Declaration between the British and Belgian Governments, dated the 23rd July, 1877, extending the Treaty of the 20th May, 1876, to certain additional crimes; the further Declaration of the 21st April, 1887, amending Article I of the Treaty of the 20th May, 1876; and the Convention of the 27th August, 1896, further amending the Treaty of the 20th May, 1876, shall all cease to have effect; but the present Treaty shall apply to all crimes within the Treaty whether committed before or after the day when it comes into force.

Either Party may at any time terminate the Treaty on giving to the other six months' notice of its intention.

## ARTICLE XVI.

The present Treaty shall be ratified, and the ratifications shall be exchanged at Brussels as soon as may be within six weeks from the date of signature.

"In witness whereof the respective Plenipotentiaries have signed the same, and have affixed thereto the seals of their arms.

Done at Brussels, the twenty-ninth day of October, in the year of Our Lord one thousand nine hundred and one.

(L.S.) CONSTANTINE PHIPPS.  
(L.S.) FAVEREAU.

And whereas the ratifications of the said Treaty were exchanged at Brussels on the sixth day of December, one thousand nine hundred and one,—

Now, therefore, His Majesty, by and with the advice of His Privy Council, and in virtue of the authority committed to Him by the said recited Acts,

doth order, and it is hereby ordered, that from and after the seventeenth day of March, one thousand nine hundred and two, the said Acts shall apply in the case of Belgium, and of the said Treaty with Belgium.

Provided always, that the operation of the said Acts, shall be and remain suspended within the Dominion of Canada so long as an Act of the Parliament of Canada passed in one thousand eight hundred and eighty-six, and entitled "An Act respecting the extradition of Fugitive Criminals," shall continue in force there, and no longer.

Circular.

DOWNING STREET,  
11th March, 1902.

SIR,—With reference to my Circular despatch of the 28th of December last relative to the importation into Great Britain of dogs brought from abroad, I have the honour to transmit to you, for the information of your Government, a copy of a letter from the Board of Agriculture inclosing a copy of a further notice which has been issued to the Press in this country on the subject, and calling attention to the desirability of giving wide publicity in the Colonies to their Order of the 12th of December, 1901, and Memorandum A 214/a, further copies of which are herewith transmitted.

I have the honour to be,

Sir,

Your most obedient, humble servant,

J. CHAMBERLAIN.

The Officer Administering  
the Government of Canada.

Enclosure 1.

BOARD OF AGRICULTURE,

4, WHITEHALL PLACE,  
LONDON, S. W., 1st March, 1902.

No. A. 6663/1902.

SIR,—I am directed by the Board of Agriculture to advert to Mr. Graham's letter of the 31st December last acquainting the Board, in reply to their communication of the 12th December, that copies of the Importation of Dogs Order of 1901 and of the Memorandum thereon would be forwarded, as on previous occasions, to the various representatives of the Colonies in this Country and abroad, and I am to say that notwithstanding the wide publicity which has already been given to the requirements of the Order, the Board have issued to the Press a further Notice, copies of which are inclosed, as a reminder to the Public that the 15th inst. is the date upon which imported dogs will become subject to detention under quarantine for a period of six months at a Veterinary establishment approved for the purpose. By this means the Board hope to minimise the inconvenience which may be caused by the movement of dogs out of Great Britain by persons imperfectly acquainted with the regulations, but they think that a greater service might be rendered to those concerned if the Order and its requirements could be published more widely abroad, and this would appear to be especially desirable in the case of the Colonies.

I am, therefore, desirous to ask you to be so good as to move the Secretary of State to cause copies of the Press Notice, and of the Order and of the Memorandum A 214/a to be again sent to the Governors of Colonies, the High Commissioner for Canada, and the Agents General and other colonial representatives to whom copies of the Order and the Memorandum have already been forwarded, with a request that steps may be taken to disseminate the information in their respective countries as widely as possible.

The Board feel it their duty to omit no step which may have the result of mitigating the effect of an Order, the enforcement of which, unfortunately, must at first be expected to interfere very considerably with the convenience of a section of the travelling public,

and it is upon these grounds that they seek the co-operation and assistance of your Department and of the various Authorities representing the Colonies.

I am, Sir,

Your obedient servant,

T. H. ELLIOTT,  
Secretary.

The Under Secretary of State for the Colonies  
Downing Street, S.W.

Enclosure 2.

#### IMPORTATION OF DOGS.

The Board of Agriculture again desire to draw the special attention of the public to the fact that after the 15th of March next the landing in Great Britain of dogs brought from any country except Ireland, the Channel Islands and the Isle of Man, will be subject to Article 2 of the Importation of Dogs Order of 1901, which expressly provides that every imported dog must be detained and isolated at the expense of its owner upon premises in the occupation or under the control of a veterinary surgeon, which shall have been previously approved in writing by the Board for that purpose, for a period of six calendar months, during which period the dog may not be moved from the place of detention except as provided in that Article. This Article does not apply in the case of an imported dog which is intended to be exported from Great Britain within forty eight hours, or of a performing dog, with regard to the detention and isolation of which special conditions will be imposed by the Licence authorizing its landing.

The Memorandum A<sup>100</sup> as to the Importation of Dogs into Great Britain from abroad, dated the 8th August, 1900, will cease to have effect when Article 2 of this Order comes into operation.

T. H. ELLIOTT,  
Secretary.

London, S. W., 26th February, 1902.

#### ORDER OF THE BOARD OF AGRICULTURE.

(Dated 12th December 1901.)

#### IMPORTATION OF DOGS ORDER OF 1901.

The Board of Agriculture, by virtue and in exercise of the powers in them vested under the Diseases of Animals Acts, 1894 and 1896, and of every other power enabling them in this behalf, do order, and it is hereby ordered, as follows:

##### *Restriction on Importation of Dogs.*

1. An imported dog, that is to say, a dog brought to Great Britain from any other country, except Ireland, the Channel Islands and the Isle of Man, shall not be landed in Great Britain unless its landing is authorized by a licence of the Board previously obtained, and when landed it shall be subject to the provisions of this Order, and to the conditions inserted in any licence authorizing its landing.

##### *Detention and Isolation of Imported Dogs.*

2.—(1.) An imported dog shall, for a period of six calendar months after its landing, be detained and isolated at the expense of its owner upon premises in the occupation, or under the control, of a veterinary surgeon, which shall have been previously approved in writing by the Board for that purpose, and such premises are in this Order referred to as the "place of detention."

(2.) During the said period the dog shall not be moved from the place of detention except to another place of detention or to a vessel for exportation, and in either case only with a licence of the Board authorizing such movement.

(3.) This Article shall not apply to (a) an imported dog which is shown to the satisfaction of the Board to be a bona fide performing dog; or (b) to an imported dog which is intended to be exported from Great

Britain within forty-eight hours after its landing; but every such dog shall be subject to the other Articles of this Order.

(4.) This Article shall come into operation on the fifteenth day of March, one thousand nine hundred and two.

##### *Conditions of Licence.*

3. The Board may insert in any licence granted by them under this Order authorizing the landing of an imported dog such conditions as they think necessary or desirable for the following purposes:

- (i.) for prescribing and regulating the detention and isolation of the dog so far as the same is not prescribed and regulated by this Order;
- (ii.) for prescribing the person by whom and the premises on which the dog shall be detained and isolated;
- (iii.) for regulating the movement of the dog to the place of detention, or vessel for exportation, and for prohibiting or regulating its movement during a period of six calendar months after its landing, or until its exportation, as the case may be;
- (iv.) for prescribing the confinement of the dog in a suitable hamper, crate, box, or other receptacle during the movement of the dog by railway, or along a highway or thoroughfare;
- (v.) for prescribing the mode of isolation of the dog;
- (vi.) for prescribing the muzzling of the dog;
- (vii.) for prescribing the notice to be given of the death or loss of the dog, or of any matter arising in connection with the movement, detention, or isolation of the dog and the persons by whom and to whom the notice is to be given; and
- (viii.) for prescribing the production of a licence for inspection by an officer of the Board, or constable, or officer of Customs.

##### *Notice of Detention in case of Illegal Landing.*

4.—(1.) Where an imported dog has been landed in contravention of this Order or of any Order hereby revoked, the Board, or an Inspector of the Board, may give notice to the owner or person in charge of the dog requiring that, within a time specified in such notice, the dog shall be moved (a) to a vessel for exportation, or (b) to a place of detention for the purpose of detention and isolation in accordance with the provisions of such notice.

(2.) Such provisions may be inserted in the notice as the Board may think necessary or desirable for any of the purposes mentioned in the preceding Article.

(3.) A notice under this Article may, subject to any instructions issued by the Board, be given by an Inspector of the Local Authority.

(4.) If the owner or person in charge of the dog, after receipt of such notice, fails to move the dog as required by the notice, he shall be deemed guilty of an offence against the Act of 1894.

##### *Withdrawal of Licence in cases of Default.*

5.—(1.) If the owner or person in charge of an imported dog is convicted of an offence under this Order in relation to the dog, the Board, or an Inspector of the Board, may give notice to such owner or person in charge, requiring him to move the dog to a vessel for exportation within a time specified in such notice.

(2.) If the owner or person in charge of the dog, after receipt of such notice, fails to move the dog as required by the notice, he shall be deemed guilty of an offence against the Act of 1894.

##### *Re-landing prohibited of Imported Dogs moved to Vessels for Exportation.*

6. An imported dog which has been moved to a vessel for exportation in accordance with a licence or notice under this Order shall not be relanded in Great Britain without a licence of the Board authorizing such landing.

##### *Seizure of Dogs in case of Default.*

7.—(1.) If an imported dog is not detained and isolated as required by this Order or by the conditions or provisions of any licence or notice thereunder, an Inspector of the Board may seize the dog and thereupon the Board shall detain and isolate it at the place

of detention specified in the licence or notice, or any other place of detention, selected by them, in accordance with the requirements of this Order or the said conditions or provisions.

(2.) If the owner of the dog does not, within ten days after the expiration of the period of detention specified in this Order or in the licence or notice, claim the said dog from the Board and pay to them their expenses of detaining and isolating the dog, the Board may destroy or otherwise dispose of the dog as they think expedient.

*Proceedings under Customs Acts for Unlawful Landing.*

8.—(1.) If any person lands or attempts to land a dog in contravention of this Order, he shall be liable, under and according to the Customs Acts, to the penalties imposed on persons importing or attempting to import goods the importation whereof is prohibited by or under the Customs Acts, without prejudice to any proceedings against him under the Act of 1894 for an offence against that Act.

(2.) The dog in respect whereof the offence is committed shall be forfeited under and according to the Customs Acts in like manner as goods the importation whereof is prohibited by or under the Customs Acts.

*Detention of Dogs on Vessels in Port.*

9.—(1.) Every dog to which this Article applies shall at all times while on board a vessel in any port in Great Britain be—

(a) secured to some part of the vessel by a collar and chain and muzzled with a wire cage muzzle so constructed as to render it impossible for such dog while wearing the same to bite any person or animal, but not so as to prevent such dog from breathing freely or lapping water; or

(b) confined in an inclosed part of the vessel from which the dog cannot escape.

(2.) If any dog to which this Article applies shall die, or be lost from a vessel, in any port in Great Britain, the person in charge of the dog shall forthwith give notice of such death or loss to the Board.

(3.) The provisions of this Article shall apply to every imported dog which is not accompanied by a licence issued by the Board authorizing the landing of such dog in Great Britain.

*Extension of certain Sections of Diseases of Animals Act, 1894.*

10. Dogs shall be animals, and rabies shall be a disease, for the purposes of the following sections of the Act of 1894 (namely):

Section forty-three (powers of police);

Section forty-four (powers of inspectors);

Section fifty-six (unlawful landing);

and also for the purposes of all other sections of the said Act containing provisions relative to or consequent on the provisions of those sections and this Order, including such sections as relate to offences and legal proceedings.

*Local Authority to enforce Order.*

11. The provisions of this Order, except where it is otherwise provided, shall be executed and enforced by the Local Authority.

*Offences.*

12.—(1.) If a dog is landed in contravention of this Order, the owner and the charterer and the master of the vessel from which it is landed, and the owner of the dog, and the person for the time being in charge thereof, and the person causing, directing, or permitting the landing, and the person landing the same, and the consignee or other person receiving or keeping it knowing it to have been landed in contravention as aforesaid, shall, each according to and in respect of his own acts and defaults, be deemed guilty of an offence against the Act of 1894.

the occupier of the place from which the dog is moved, shall, each according to and in respect of his own acts and defaults, be deemed guilty of an offence against the Act of 1894.

(3.) If a dog is not kept isolated as required by this Order, or by the conditions or provisions of a licence or notice thereunder, the owner of the dog, and the person for the time being in charge thereof, and the occupier of the place where such dog is detained, and the person failing or neglecting to isolate the dog, shall, each according to and in respect of his own acts, defaults or omissions, be deemed guilty of an offence against the Act of 1894.

(4.) If a dog is not secured, muzzled, or confined as required by this Order, or by the conditions or provisions of a licence or notice thereunder, the owner of the dog, and the person for the time being in charge thereof, and the master of any vessel on board which the dog is or has been carried to Great Britain, shall, each according to and in respect of his own acts and defaults, be deemed guilty of an offence against the Act of 1894.

(5.) If a person with a view to unlawfully evade or defeat the operation of this Order, or of the conditions or provisions of a licence or notice thereunder, allows a dog to stray, he shall be deemed guilty of an offence against the Act of 1894.

(6.) If the owner or person in charge of a dog fails to give, produce, or do any notice, licence, or thing which by this Order, or by the conditions or provisions of a licence or notice thereunder, he is required to give, produce, or do, he shall be deemed guilty of an offence against the Act of 1894.

*Revocation of Orders.*

13.—(1.) The Orders described in the Schedule to this Order are hereby from and after the commencement of this Order revoked: Provided that such revocation shall not invalidate or make unlawful anything done under any Order hereby revoked, or affect any licence or authority granted, or any right, title, obligation, or liability accrued thereunder before the commencement of this Order, or interfere with the institution or prosecution of any proceeding in respect of any offence committed against, or any penalty incurred under, any Order hereby revoked before the commencement of this Order.

(2.) A licence granted under any Order hereby revoked shall, from and after the commencement of this Order, have effect as if it had been granted under this Order, and may be enforced accordingly.

## BOARD OF AGRICULTURE.

## IMPORTATION OF DOGS ORDER OF 1901.

The Board of Agriculture desire to draw the attention of Local Authorities and of the public generally to the provisions of this Order, which regulates the landing in Great Britain of dogs brought from any country except Ireland, the Channel Islands, or the Isle of Man.

This Order, which consolidates and amends the Importation of Dogs Order of 1897 and the Orders amending it, takes effect from the 1st of January, 1902, except as to Article 2 which is particularly referred to hereafter. It will be observed that no imported dog is allowed to be landed in Great Britain without a licence of the Board of Agriculture obtained previous to landing.

Until the 15th March next, the landing of dogs will be authorized under substantially the same conditions as to detention and isolation as have hitherto obtained. After the 15th March the landing of dogs will be subject to Article 2 of the Order, which expressly provides that every imported dog must be detained and isolated at the expense of its owner upon premises in the occupation or under the control of a veterinary surgeon, which shall have been previously approved in writing by the Board for that purpose, for a period of six calendar months, during which period the dog may not be moved from the place of detention except as provided in that Article. This article does not apply in the case of an imported dog which is intended to be exported from Great Britain within forty-eight hours, or of a performing dog, with regard to the detention and isolation of which special conditions will be imposed by the Licence authorizing its landing.

## CONDITIONS OF LICENCES.

The Board may insert in any Licence granted by them authorizing the landing of an imported dog, such further conditions as they think necessary or desirable for prescribing and regulating the detention and isolation of the dog, upon the place of detention authorized in the Licence, or for any of the purposes set forth in Article 3 of the Order.

Every dog which is brought to Great Britain from any other country except Ireland, the Channel Islands, or the Isle of Man, and which is not accompanied by a Licence issued by the Board of Agriculture authorizing the landing of the dog in Great Britain must at all times while on board a vessel in any port in Great Britain be (a) secured to some part of the vessel by a collar and chain and muzzled with a wire cage muzzle so constructed as to render it impossible for such dog while wearing the same to bite any person or animal, but not so as to prevent such dog from breathing freely or lapping water; or (b) confined in an inclosed part of the vessel from which the dog cannot escape. And if any such dog die, or be lost from such a vessel, the person in charge of the dog is required forthwith to give notice of such death or loss to the Board.

The Memorandum A<sup>140</sup> as to the Importation of Dogs into Great Britain from abroad, dated the 8th August, 1900, will cease to have effect when Article 2 of this Order comes into operation.

In order that as little inconvenience as possible may be caused in the enforcement of the Order, the Board trust that local authorities will assist them by taking steps to make its contents known as widely as possible in their districts.

Secretary.

## QUEBEC.

(73) RIVER ST. LAWRENCE ABOVE QUEBEC—  
ST. ANTOINE DE TILLY—RANGE LIGHTS  
ESTABLISHED.

On the 1st May, 1902, three range lights will be established by the Government of Canada at St. Antoine de Tilly, on the south shore of the river St. Lawrence above Quebec.

(A.) The front light of the upstream range will be a fixed white light, elevated 36 feet above high water mark and should be visible 6 miles in, and over a small arc on each side of, the line of range. The illuminating apparatus is catoptric.

The lighthouse is a square, wooden tower, with sloping sides, surmounted by a square wooden lantern, and is painted white, with the lantern roof red. Its height from the base to the vane on the lantern is 30 feet. The tower stands just above high water mark on the west side of the low flat part of St. Antoine point, and is distant 2640 feet N. 56° W. from St. Antoine village church.

(B.) The back light of the upstream range, which is also the front light of the downstream range (indicating the traverse at the foot of Trembles shoal), is a fixed white light, elevated 68 feet above high water mark, and visible 9 miles from all points of approach by water. The illuminating apparatus is dioptric of the seventh order.

The lighthouse tower is a square building with sloping sides, consisting of an open steel framework, surmounted by a wooden lightroom and topped with square wooden lantern. The steelwork is painted brown, the woodwork is white, with the lantern roof red. The height of the tower from its base to the vane on the lantern is 65 feet.

It stands upon a cribwork pier 5 feet high, painted black, built just above high water mark on the east side of St. Antoine point, and is distant 826 feet N. 88° 30' E. from the tower first described.

Lat. N. 46° 40' 3"

Long. W. 71° 34' 51"

(C.) The back light of the downstream range is a fixed white light, elevated 203 feet above high water mark, and visible 16 miles from all points of approach by water. The illuminating apparatus is catoptric.

The tower is exactly the same as that of the front light of the downstream range last described.

This tower stands on the crest of the cliff behind the point, and is distant 825 feet S. 65° W. from that last described. These two lighthouses and St. Augustin church are all in the same alignment.

*Sailing Directions.*—Vessels upward should keep their course, N. 84½° W., with Pointe à Basile range lights in one astern, until they reach the alignment of St. Antoine point traverse range lights, bearing S. 65° W. ahead, when they turn onto this alignment, keeping it until they have passed Trembles shoal gas buoy on their starboard hand, when they should shape a course S. 81½° W. past St. Antoine point, keeping this course until they bring the upstream range lights in one astern. They can keep these in one, going up on a course S. 88½° W., until they pass the upper red buoy off Ecureuils bank (No. 32 Q), when they bear up to take the alignment of the Ste. Croix range lights.

(52) RIVER ST. LAWRENCE—BARRETT LEDGE—CHANGE  
IN COLOUR OF GAS AND BELL BUOY.

When the gas and bell buoy marking Barrett ledge, river St. Lawrence below Quebec, is placed in position this year, it will be changed in colour from chequered black and white to red, with the words "Barrett ledge" in white letters on the body of the buoy, and will thereafter be maintained as a red buoy.

(53) RIVER ST. LAWRENCE—TRAVERSE OF ST. ROCH—  
CHARACTERISTIC OF LIGHT AT UPPER END.

The light shown from the permanent lighthouse on the pier at the upper end of the Traverse of St. Roch, River St. Lawrence below Quebec, will, on the opening of navigation in 1902, be changed from a fixed white catoptric light to an occulting white light giving flashes of 8 seconds' duration, with intervals of 8 seconds between the flashes. The light is elevated 47 feet above high water mark and should be visible 12 miles from all points of approach. The beam of light in the ship channel will be stronger than that shown in other directions. The illuminating apparatus is dioptric of the third order. The illuminant will be compressed gas, but the light will be watched.

The temporary wooden lantern which originally surmounted this tower has been replaced by a polygonal iron lantern painted red. In other respects the station is as described in notice to mariners No. 91 of 1900, part i.

The sailing directions given therein require emendation in consequence of the change in 1901 in the position of the light-ship marking the lower end of the Traverse. They should now read as follows:

Algernon rock in one with Upper Traverse light marks very closely the position of Lower Traverse lightship, now moored off the northwest point of the shoals of St. Roch. Vessels inward bound can enter the Traverse safely either by bringing Lower Traverse lightship in one with Upper Traverse light or, in the absence of the lightship, by bringing Upper Traverse light in one with Stone Pillar light. When a mile below the lightship they should shape a course to pass it  $1\frac{1}{2}$  cables distant, leaving it on the port hand. From this point the course through the Traverse is S. W.  $\frac{1}{2}$  W. keeping Stone Pillar and Algernon rock lights open northward of Upper Traverse light. From off Upper Traverse light the course to leave Channel patch gas buoy on the starboard hand is S.W.  $\frac{1}{2}$  S. The course usually taken leaves Upper Traverse light 2 cables distant to southward in passing.

(54) RIVER ST. LAWRENCE—BEAUJEU BANK—CHANGE IN COLOUR OF GAS BUOY.

When the gas buoy marking the channel over the bar at the west end of Beaujeu bank, off Crane island, river St. Lawrence below Quebec, is placed in position this year, it will be changed in colour from white, to red and black in horizontal bands, with the words "Beaujeu bank" in white letters on the body of the buoy, and will thereafter be maintained as a middle ground buoy.

Lat. N. 47° 4' 11"

(55) RIVER ST. LAWRENCE—GROSSE ISLE—CHANGE IN COLOUR OF GAS BUOY AND CHARACTER OF LIGHT.

When the gas buoy on the western end of Margaret island bank, river St. Lawrence below Quebec, is placed in position this year, it will be changed in colour from yellow to red, with the words "Quarantine" in yellow letters on the body of the buoy ; and the characteristic of the light will be changed from fixed white to occulting white. Thereafter the buoy will be maintained as a starboard hand buoy, and the light will be occulted at short intervals.

J'ai l'honneur d'être, monsieur,  
Votre très humble serviteur,  
J. CHAMBERLAIN.

A l'Administrateur

ARRÊTÉ EN CONSEIL.

TRAITÉ D'EXTRADITION AVEC LE ROI DES BELGES.  
Saint-James, 6 mars 1902.

AU Château de Saint-James, le 6e jour de mars 1902.

PRÉSENTS :

Sa Très Excellente Majesté le ROI.  
Le lord Président.  
Le comte de Kintore.  
Lord James de Hereford.  
Sir Arthur Wilson.

CONSIDÉRANT que par les *Actes d'extradition*, 1870 à 1895, il est statué, entre autres choses, que chaque fois qu'un arrangement aura été conclu avec un Etat étranger au sujet de la reddition à cet Etat de criminels fugitifs, Sa Majesté pourra ordonner par arrêté en conseil que les dits actes s'appliqueront à l'égard de l'Etat étranger en question ; et que Sa Majesté pourra, parle même ou par un arrêté subséquent, restreindre l'opération du dit arrêté et limiter son application aux criminels fugitifs qui se trouvent ou sont supposés se trouver dans la partie des possessions de Sa Majesté spécifiées dans l'arrêté, et en rendre l'exécution sujette aux conditions, exceptions et restrictions qui pourront être jugées convenables.

Et considérant qu'un traité a été conclu le vingt-neuvième jour d'octobre mil neuf cent un, entre Sa Majesté et Sa Majesté le Roi des Belges pour l'extradition mutuelle de criminels fugitifs, lequel est rédigé comme suit :—

Sa Majesté le Roi du Royaume-Uni de la Grande-Bretagne et d'Irlande, Empereur des Indes, et Sa Majesté le Roi des Belges, ayant résolu de conclure un nouveau traité pour l'extradition des criminels, les dites hautes parties contractantes ont nommé pour leurs plénipotentiaires, à l'effet de conclure un traité dans ce but, savoir :—

Sa Majesté le Roi du Royaume-Uni de la Grande-Bretagne et d'Irlande, Empereur des Indes, Constantine Phipps, Esquire, Compagnon du Très Honorable Ordre du Bain, son Envoyé Extraordinaire et Ministre Plénipotentiaire près Sa Majesté le Roi des Belges ; et

Sa Majesté le Roi des Belges, Monsieur le Baron de Favereau, Chevalier de l'Ordre de Léopold, Sénateur, son Ministre des Affaires Etrangères :

Lesquels, après s'être communiqué réciproquement leurs pleins pouvoirs, reconnus en bonne et due forme, sont convenus des articles suivants :—

ARTICLE I.

Il est convenu que Sa Majesté Britannique et Sa Majesté le Roi des Belges, sur la demande faite en leur nom par leurs agents diplomatiques respectifs, se livreront réciproquement, sous les conditions stipulées dans le présent traité, tous les individus qui, étant poursuivis ou condamnés comme auteurs ou complices, pour l'un des crimes ou délits ci-après spécifiés, commis sur le territoire de la partie requérante, seront trouvés sur le territoire de l'autre partie :—

29. Crimes ou délits concernant la traite des esclaves en tant qu'ils sont punissables d'après les lois des deux pays.

Toutefois, l'extradition ne sera accordée dans le cas d'une personne accusée que si la perpétration du crime ou du délit est établie de telle façon que les lois du pays où le fugitif accusé sera trouvé justifieraient son arrestation et son emprisonnement si le crime ou le délit avait été commis dans ce pays ; et dans le cas d'une personne prétendument condamnée, que sur la

production d'une preuve qui, d'après les lois du pays où le fugitif a été trouvé, établirait suffisamment qu'il a été condamné.

En aucun cas l'extradition ne pourra avoir lieu que lorsque le crime ou le délit sera prévu par la législation sur l'extradition en vigueur dans les deux pays.

En aucun cas, ni sous aucun prétexte que ce soit, les hautes parties contractantes ne seront obligées de livrer leurs nationaux, par naissance ou par naturalisation.

#### ARTICLE II.

Dans les États de Sa Majesté Britannique, autres que les colonies ou les possessions étrangères de Sa Majesté, la manière de procéder sera la suivante :

1. S'il s'agit d'une personne accusée—

La demande d'extradition sera adressée au Premier Secrétaire d'Etat de Sa Majesté pour les Affaires Étrangères par le Ministre ou autre agent diplomatique de Sa Majesté le Roi des Belges. À cette demande seront joints un mandat d'arrêt ou autre document judiciaire équivalent, délivré par un juge ou magistrat dûment autorisé à prendre connaissance des actes imputés à l'accusé en Belgique, ainsi que les dépositions authentiques ou les déclarations faites sous serment ou sous affirmation solennelle devant ce juge ou magistrat, énonçant clairement les dits actes, et contenant outre le signalement de la personne réclamée, toutes les particularités qui pourraient servir à établir son identité.

Le dit Secrétaire d'Etat transmettra ces documents au Premier Secrétaire d'Etat de Sa Majesté Britannique pour les Affaires Intérieures, qui, par un ordre de sa main et muni de son sceau, signifiera à l'un ou l'autre magistrat de police à Londres que la demande d'extradition a été faite, et le requerra, s'il y a lieu, de délivrer un mandat pour l'arrestation du fugitif.

À la réception d'un semblable ordre du Secrétaire d'Etat, et sur la production de telle preuve qui, dans l'opinion de ce magistrat, justifierait l'émission du mandat si le crime avait été commis dans le Royaume-Uni, il délivrera le mandat requis.

Lorsque alors le fugitif aura été arrêté, il sera amené devant un magistrat compétent. Si la preuve qu'on produira est de nature à justifier, selon la loi anglaise, la mise en jugement du prisonnier, dans le cas où le crime dont il est accusé aurait été commis en Angleterre, le magistrat l'enverra en prison pour attendre le mandat du Secrétaire d'Etat, nécessaire à l'extradition, et il adressera immédiatement au Secrétaire d'Etat une attestation de l'emprisonnement avec un rapport sur l'affaire.

Après l'expiration d'un certain temps, qui ne pourra jamais être moindre de quinze jours depuis l'emprisonnement de l'accusé, le Secrétaire d'Etat, par un ordre de sa main et muni de son sceau, ordonnera que le criminel fugitif soit livré à telle personne qui sera dûment autorisée à le recevoir au nom du gouvernement de Sa Majesté le Roi des Belges.

2. S'il s'agit d'une personne condamnée—

La marche de la procédure sera la même que dans le cas d'une personne accusée, sauf que le mandat à transmettre par le Ministre ou autre agent diplomatique à l'appui de la demande d'extradition énoncera clairement le crime pour lequel la personne réclamée aura été condamnée, et mentionnera le fait, le lieu, et la date du jugement. La preuve à produire devant le magistrat sera telle que, d'après la loi anglaise, elle établirait que le prisonnier a été condamné pour le crime dont on l'accuse.

Après que le magistrat aura envoyé la personne accusée ou condamnée en prison pour attendre l'ordre d'extradition du Secrétaire d'Etat, cette personne aura le droit de réclamer une ordonnance d'habeas corpus ; l'extradition doit alors être différée jusqu'après la décision de la Cour sur le renvoi de l'ordonnance, et elle ne pourra avoir lieu que si la décision est contraire au demandeur.

#### ARTICLE III.

Dans les États de Sa Majesté le Roi des Belges, autres que les colonies ou possessions étrangères de sa dite Majesté, on procédera de la façon suivante :—

1. S'il s'agit d'une personne accusée—

La demande d'extradition sera adressée au Ministre des Affaires Étrangères de Sa Majesté le Roi des Belges par le Ministre ou autre agent diplomatique de Sa

Majesté Britannique ; à cette demande seront joints un mandat d'arrêt ou autre document judiciaire équivalent délivré par un juge ou magistrat dûment autorisé à prendre connaissance des actes imputés à l'accusé dans la Grande-Bretagne, ainsi que les dépositions authentiques ou les déclarations faites sous serment ou sous affirmation solennelle devant ce juge ou magistrat, énonçant clairement les dits actes, et contenant outre le signalement de la personne réclamée, toutes les particularités qui pourraient servir à établir son identité.

Le Ministre des Affaires Étrangères transmettra le mandat d'arrêt, avec les pièces annexées, au Ministre de la Justice, qui fera parvenir les documents à l'autorité judiciaire, à l'effet de voir rendre le dit mandat d'arrêt exécutoire par la Chambre du Conseil du Tribunal de Première Instance du lieu de la résidence de l'inculpé, ou du lieu où il pourra être trouvé.

L'étranger pourra réclamer la liberté provisoire dans le cas où un Belge jouit de cette faculté, et dans les mêmes conditions.

La demande sera soumise à la Chambre du Conseil.

Le gouvernement prendra l'avis de la Chambre des Mises en Accusation de la Cour d'Appel dans le ressort de laquelle l'étranger aura été arrêté.

L'audience sera publique, à moins que l'étranger ne réclame le huis-clos.

Le Ministère Public et l'étranger seront entendus. Celui-ci pourra se faire assister d'un conseil.

Dans la quinzaine à dater de la réception des pièces, elles seront renvoyées avec l'avis motivé au Ministre de la Justice, qui statuera et pourra ordonner que l'inculpé soit livré à la personne qui sera dûment autorisée au nom du gouvernement de Sa Majesté Britannique.

2. S'il s'agit d'une personne condamnée—

Le cours de la procédure sera le même que dans le cas d'une personne accusée, sauf que le jugement ou l'arrêt de condamnation délivré en original ou en expédition authentique, à transmettre par le Ministre ou l'agent diplomatique à l'appui de la demande d'extradition, énoncera clairement le crime pour lequel la personne réclamée aura été condamnée, et mentionnera le fait, le lieu, et la date du jugement. La preuve à produire sera telle que, conformément aux lois belges, elle établirait que le prisonnier a été condamné pour le crime dont on l'accuse.

#### ARTICLE IV.

Un criminel fugitif peut, cependant, être arrêté sur un mandat délivré par tout magistrat de police, juge de paix, ou autre autorité compétente dans chaque pays, à la suite d'un avis, d'une plainte, d'une preuve ou de tout autre acte de procédure qui, dans l'opinion de la personne délivrant le mandat, justifierait ce mandat, si le crime avait été commis ou la personne condamnée dans la partie des États des deux Contractants où elle exerce juridiction : Pourvu que, cependant, s'il s'agit du Royaume-Uni, l'accusé soit, dans un pareil cas envoyé aussi promptement que possible devant un magistrat compétent. Il sera relâché, tant dans le Royaume-Uni qu'en Belgique, si dans les quatorze jours une demande d'extradition n'a pas été faite par l'agent diplomatique du pays requérant, suivant le mode indiqué par les articles II et III de ce traité.

La même règle s'appliquera aux cas de personnes poursuivies ou condamnées du chef de l'un des crimes spécifiés dans ce traité, et commis en pleine mer, à bord d'un navire de l'un des deux pays, et qui viendrait dans un port de l'autre.

#### ARTICLE V.

Si endéans les deux mois à partir de la date de l'arrestation des documents suffisants n'ont pas été produits, l'individu arrêté sera mis en liberté. Il sera également mis en liberté si endéans les deux mois du jour où il a été placé à la disposition de l'agent diplomatique, il n'a pas été emmené dans le pays requérant.

#### ARTICLE VI.

Lorsqu'une personne aura été extradée par l'une des hautes parties contractantes, cette personne, jusqu'à ce qu'elle soit rentrée dans le pays d'où elle a été extradée, ou qu'elle ait eu occasion de le faire, ne sera poursuivie pour aucun délit commis dans l'autre pays

avant l'extradition, autre que celui pour lequel l'extradition a eu lieu.

#### ARTICLE VII.

Aucune personne accusée ou condamnée ne sera extradée si le délit pour lequel l'extradition est demandée est considérée par la partie requise comme un délit politique, ou un fait connexe à un semblable délit, ou si la personne prouve à la satisfaction du magistrat ou de la Cour devant laquelle elle est amenée pour l'habeas corpus, ou du Secrétaire d'État, que la demande d'extradition a été faite, en réalité, dans le but de la poursuivre ou de la punir pour un délit d'un caractère politique.

#### ARTICLE VIII.

Les mandats, dépositions, déclarations, sous serment délivrés ou recueillis dans les États de l'une des deux hautes parties contractantes, les copies de ces pièces, ainsi que les certificats ou les documents judiciaires établissant le fait de la condamnation, seront reçus comme preuve dans la procédure des États de l'autre partie, s'ils sont revêtus de la signature ou accompagnés de l'attestation d'un juge, magistrat, ou fonctionnaire du pays où ils ont été délivrés ou recueillis :

Pourvu que ces mandats, dépositions, déclarations, copies, certificats, et document judiciaires soient rendus authentiques par le serment ou affirmation solennelle d'un témoin, ou par le sceau officiel du Ministre de la Justice ou d'un autre Ministre d'État.

#### ARTICLE IX.

L'extradition n'aura pas lieu si, depuis les faits imputés, les poursuites, ou la condamnation, la prescription de l'action ou de la peine est acquise d'après les lois du pays où le prévenu s'est réfugié.

#### ARTICLE X.

Si l'individu réclamé par l'une des hautes parties contractantes, ne exécution du présent traité, est aussi réclamé par une ou plusieurs autres Puissances du chef d'autres crimes commis sur leurs territoires respectifs, son extradition sera accordée à l'État dont la demande est la plus ancienne en date à moins qu'il n'existe entre les gouvernements qui l'ont réclamé un arrangement qui déciderait de la préférence, soit à raison de la gravité des crimes commis, soit à raison de tout autre motif.

#### ARTICLE XI.

Si l'individu réclamé est poursuivi ou condamné par les tribunaux du pays où il s'est réfugié, son extradition pourra être différée jusqu'à ce qu'il ait été mis en liberté selon le cours régulier de la loi.

Dans le cas où il serait poursuivi ou détenu dans le même pays à raison d'obligations par lui contractées envers des particuliers, son extradition n'en aura pas moins lieu, sauf à la partie lésée à faire valoir ses droits devant l'autorité compétente.

#### ARTICLE XII.

Tout objet trouvé en possession de l'individu réclamé au moment de son arrestation sera, si l'autorité compétente en a ainsi ordonné, saisi, pour être livré avec sa personne lorsque l'extradition aura lieu. Cette remise ne sera pas limitée aux objets acquis par vol ou banqueroute frauduleuse, mais elle s'étendra à toute chose qui pourrait servir de pièce de conviction. Elle se fera même si l'extradition, après avoir été accordée, ne peut s'accomplir par suite de l'évasion ou de la mort de l'individu réclamé.

Sont, cependant, réservés les droits des tiers sur les objets susmentionnés.

#### ARTICLE XIII.

Chaque des hautes parties contractantes supportera les frais occasionnés par l'arrestation sur son territoire, la détention, et le transport à la frontière des personnes qu'elle consentirait à extraditer en exécution du présent traité.

#### ARTICLE XIV.

Les stipulations du présent traité seront applicables aux colonies et possessions étrangères des deux hautes parties contractantes.

La demande d'extradition d'un criminel fugitif qui s'est réfugié dans une colonie ou possession étrangère

de l'une des parties sera faite au Gouverneur ou au fonctionnaire principal de cette colonie ou possession par le principal Agent Consulaire de l'autre dans cette colonie ou possession ; ou, si le fugitif s'est échappé d'une colonie ou possession étrangère de la partie au nom de laquelle l'extradition est demandée, par le Gouverneur ou le fonctionnaire principal de cette colonie ou possession.

Ces demandes seront faites ou accueillies en suivant toujours, aussi exactement que possible, les stipulations de ce traité par les gouvernements ou premiers fonctionnaires qui, cependant, auront la faculté ou d'accorder l'extradition ou d'en référer à leur gouvernement.

Sa Majesté Britannique se réserve, cependant, le droit de faire des arrangements spéciaux dans les colonies anglaises ou possessions étrangères pour l'extradition de criminels Belges qui y auraient cherché refuge, en se conformant, aussi exactement que possible, aux stipulations du présent traité.

#### ARTICLE XV.

Le présent traité entrera en vigueur dix jours après sa publication dans les formes prescrites par la législation des pays respectifs.

A partir du jour où le présent traité entrera en vigueur, le Traité d'Extradition entre les deux pays du 20 mai, 1876, la Déclaration entre les Gouvernements Britannique et Belge du 23 juillet, 1877, étendant le traité du 20 mai, 1876, à certains autres délits, la Déclaration du 21 avril, 1887, modifiant l'Article 1er du traité du 20 mai, 1876, et la Convention du 27 août, 1896, portant nouvelle modification du traité du 20 mai, 1876, cesseront leurs effets ; mais le présent traité sera applicable à tous les délits prévus au traité qu'ils aient été commis avant ou après la date où il sera entré en vigueur.

Chaque partie peut en tout temps mettre fin au traité en donnant à l'autre, six mois à l'avance, avis de son intention.

#### ARTICLE XVI.

Le présent traité sera ratifié, et les ratifications seront échangées à Bruxelles le plus tôt possible dans les six semaines de la date de la signature.

En foi de quoi les Plénipotentiaires respectifs ont signé ce même traité, et y ont apposé le sceau de leurs armes.

Fait à Bruxelles, le vingt-neuvième jour du mois d'octobre, de l'an de grâce mil neuf cent un.

(L. S.) CONSTANTINE PHIPPS,  
(L. S.) FAVEREAU.

Et attendu que les ratifications du dit traité ont été échangées à Bruxelles le sixième jour de décembre, mil neuf cent un :

C'est pourquoi Sa Majesté, par et de l'avis de son Conseil privé, et en vertu de l'autorité que lui confèrent les dits actes cités, ordonne et il est par le présent ordonné, que le et après le dix-septième jour de mars mil neuf cent deux, les dits actes s'appliqueront dans le cas de la Belgique, et du dit traité avec la Belgique.

Pourvu, toujours, et il est par le présent ordonné que l'opération des dits actes sera suspendue dans la Puissance du Canada, tant que les dispositions de l'acte canadien de 1886 intitulé "Acte concernant l'extradition des criminels fugitifs," y resteront en vigueur, et pas plus longtemps.

Circulaire.

DO'NING STREET,

11 mars 1902.

MONSIEUR,—Relativement à ma dépêche circulaire du 28 de décembre dernier concernant l'importation dans la Grande-Bretagne de chiens venant de l'étranger, j'ai l'honneur de vous transmettre, pour le renseignement de votre gouvernement, copie d'une lettre du Conseil de l'Agriculture renfermant copie d'un avis ultérieur sur le sujet qui a été distribué à la presse de ce pays, et qui attire l'attention sur l'utilité de donner, dans les colonies, une grande publicité à

l'arrêté du 12 de décembre 1901, et au memorandum A 214a, dont copies vous sont transmises avec la présente.

J'ai l'honneur d'être,  
Monsieur,  
Votre très humble serviteur,  
J. CHAMBERLAIN.

A l'Administrateur  
du gouvernement du Canada.

COMITÉ DE L'AGRICULTURE,

4 WHITEHALL PLACE,  
LONDRES, S. W., 1er mars 1902.

N° A, 6663/1902.

MONSIEUR,—Je suis chargé par le Conseil de l'Agriculture de mentionner la lettre de M. Graham du 31 décembre dernier, informant le conseil, en réponse à sa communication du 12 décembre, que des copies de l'Arrêté de 1901 concernant les chiens, et du memorandum s'y rapportant, seraient transmises, comme la chose a déjà été faite, aux divers représentants des colonies dans ce pays et à l'étranger, et je dois dire que nonobstant la grande publicité qui a déjà été donnée aux dispositions de l'arrêté, le conseil a distribué à la presse un avis ultérieur, dont copies sont incluses, pour rappeler au public que le 15 du courant est la date où les chiens importés seront soumis à une détention quarantenaire de six mois à un établissement vétérinaire approuvé à cette fin. Par ce moyen le conseil espère réduire considérablement les ennuis qu'entraînerait le déplacement des chiens en dehors de la Grande-Bretagne par des personnes peu au fait des règlements, mais il croit qu'un plus grand service pourrait être rendu aux personnes intéressées si l'arrêté et ses stipulations étaient plus répandus à l'étranger, et particulièrement dans les colonies.

Je suis donc chargé de vous prier de bien vouloir porter le Secrétaire d'Etat à faire envoyer une seconde fois des copies de l'avis à la presse et de l'arrêté et du memorandum A 214 aux gouverneurs des colonies, au haut commissaire pour le Canada, et aux agents généraux et autres représentants coloniaux auxquels des copies de l'arrêté et du memorandum ont déjà été envoyées, avec prière que des mesures soient prises pour répandre l'information dans leurs pays respectifs aussi largement que possible.

Le conseil croit de son devoir de n'omettre rien qui pourrait mitiger l'effet d'un arrêté dont l'exécution doit malheureusement avoir l'effet de gêner considérablement le confort d'une partie du public voyageur, et c'est pour cette raison qu'il cherche la coopération et l'aide de votre département et des diverses autorités représentant les colonies.

Je suis, monsieur,  
Votre obéissant serviteur,  
T. H. ELLIOTT,  
Secrétaire.

IMPORTATION DES CHIENS.

Le Conseil de l'Agriculture désire encore attirer l'attention spéciale du public sur le fait qu'après le 15 de mars prochain le débarquement dans la Grande-Bretagne de chiens amenés de tout pays autre que l'Irlande, les îles de la Manche et l'île de Man, sera assujéti à l'article 2 de l'Arrêté de 1901 concernant l'importation des chiens, qui déclare expressément que chaque chien importé doit être détenu et isolé aux frais de son propriétaire sur des lieux occupés ou contrôlés par un vétérinaire, préalablement approuvés par écrit du conseil à cette fin, pendant une période de six mois de calendrier, période pendant laquelle le chien ne pourra être déplacé de l'endroit de détention sauf de la manière prescrite par le dit article.

Cet article ne s'applique pas dans le cas d'un chien importé que l'on a l'intention d'exporter de la Grande-Bretagne dans les quarante-huit heures, ou d'un chien dressé, pour la détention et isolation duquel des conditions spéciales seront imposées par la licence qui autorise son débarquement.

Le memorandum A 140 touchant l'importation dans la Grande-Bretagne de chiens de l'étranger, daté le 8 d'août 1900, cessera d'avoir effet lorsque l'article 2 du présent arrêté entrera en vigueur.

ARRÊTÉ DU CONSEIL DE L'AGRICULTURE.

(Daté 12 décembre 1901).

ARRÊTÉ DE 1901 CONCERNANT L'IMPORTATION DES CHIENS.

Le Conseil de l'Agriculture, dans l'exercice des pouvoirs qui lui sont conférés par les Actes concernant les maladies des animaux, 1894 et 1896, et de tout autre pouvoir lui appartenant, ordonne, et il est par le présent ordonné, comme suit :—

*Restriction à l'importation des chiens.*

1. Un chien importé, c'est-à-dire un chien amené à la Grande-Bretagne de tout pays autre que l'Irlande, les îles de la Manche et l'île de Man, ne sera débarqué dans la Grande-Bretagne que si son débarquement est autorisé par une licence préalablement obtenue du conseil, et une fois débarqué il sera assujéti aux dispositions du présent arrêté et aux conditions insérées dans toute licence autorisant son débarquement.

*Détention et isolement des chiens importés.*

2.—(1) Un chien importé sera, pendant une période de six mois de calendrier après son débarquement, détenu et isolé aux frais de son propriétaire sur des lieux occupés ou contrôlés par un vétérinaire, préalablement approuvés à cette fin par écrit du conseil, et ces lieux sont appelés dans le présent arrêté "endroit de détention".

(2) Pendant la dite période le chien ne sera pas déplacé de l'endroit de détention sauf à un autre endroit de détention ou à un vaisseau pour exportation, et dans l'un ou l'autre cas qu'avec une licence du conseil autorisant ce déplacement.

(3) Le présent article ne s'appliquera pas (a) à un chien importé qui est reconnu par le conseil comme chien dressé; ou (b) à un chien importé que l'on se propose d'exporter de la Grande-Bretagne sous quarante-huit heures après son débarquement; mais chaque tel chien sera assujéti aux autres articles du présent arrêté.

(4) Le présent article deviendra exécutoire le quinzième jour de mars mil neuf cent deux.

*Conditions des licences.*

3. Le conseil pourra insérer, dans toute licence qu'il délivrera en vertu du présent arrêté autorisant le débarquement d'un chien importé, les conditions qu'il jugera nécessaires ou désirables pour les fins suivantes :—

- (i) prescrire et réglementer la détention et isolement du chien, en tant que la chose n'est pas prescrite et réglementée par le présent arrêté.
- (ii) désigner la personne qui détiendra le chien et l'endroit où il sera isolé;
- (iii) réglementer le mouvement du chien à l'endroit de détention, ou au vaisseau pour l'exportation, et prohiber ou réglementer son mouvement pendant une période de six mois de calendrier après son débarquement, ou jusqu'à son exportation, selon le cas;
- (iv) prescrire comment sera renfermé un chien dans un panier, boîte ou autre réceptacle pendant son transport par chemin de fer, ou le long d'un grand chemin ou route;
- (v) prescrire le mode d'isolement du chien;
- (vi) prescrire le musellement du chien;
- (vii) prescrire l'avis à donner de la mort ou perte du chien, ou de toute chose provenant du déplacement, détention ou isolement du chien, et les personnes auxquelles l'avis sera donné, et qui le donneront; et
- (viii) prescrire la production d'une licence pour inspection par un officier du conseil, ou constable ou officier des douanes.

*Avis de détention en cas de débarquement illégal.*

4.—(1) Lorsqu'un chien importé a été débarqué en contravention du présent arrêté ou de tout arrêté révoqué par le présent, le conseil, ou un inspecteur du conseil, pourra donner avis au propriétaire ou personne en charge du chien enjoignant que sous un délai spécifié dans cet avis, le chien soit transporté (a) à un vaisseau pour exportation, ou (b) à un endroit de détention pour y être détenu et isolé conformément aux dispositions de cet avis.

(2) Le conseil insérera dans l'avis les dispositions qu'il jugera nécessaires ou désirables pour les fins mentionnées au précédent article.

(3) Un avis en vertu du présent article pourra être donné par un inspecteur de l'autorité locale, sujet aux instructions données par le conseil.

(4) Si le propriétaire ou personne en charge du chien, après réception de cet avis, manque de déplacer le chien tel que requis par l'avis, il sera réputé coupable de contravention à l'Acte de 1894.

*Retrait de la licence, pour cause de défaut.*

5.—(1) Si le propriétaire ou personne en charge d'un chien importé est convaincu d'une contravention au présent arrêté relativement au chien, le conseil, ou un inspecteur du conseil, pourra donner avis à ce propriétaire ou personne en charge, l'enjoignant de transporter le chien à un vaisseau pour exportation dans un délai spécifié dans l'avis.

(2) Si le propriétaire ou personne en charge du chien, après réception de cet avis, manque de transporter le chien tel que requis par l'avis, il sera réputé coupable d'infraction à l'Acte de 1894.

*Défense de débarquer de nouveau les chiens importés transportés à des vaisseaux pour exportation.*

6. Un chien importé qui a été mis à bord d'un vaisseau pour exportation conformément à une licence ou avis en vertu du présent arrêté, ne sera pas débarqué de nouveau dans la Grande-Bretagne sans une licence du conseil autorisant ce débarquement.

*Saisie des chiens en cas de défaut.*

7.—(1) Si un chien importé n'est pas détenu et isolé tel que le veut le présent arrêté, ou tel que le prescrivent les conditions ou dispositions de toute licence ou avis en vertu d'icelui, un inspecteur du conseil pourra saisir le chien et là-dessus le conseil le détendra et isolera à l'endroit de détention spécifié dans la licence ou avis, ou à tout autre endroit de détention choisi par lui, conformément aux exigences du présent arrêté, ou aux dites conditions ou dispositions.

(2) Si le propriétaire du chien ne le réclame pas sous dix jours après l'expiration de la période de détention spécifiée dans le présent arrêté ou dans la licence ou avis, et ne paie les frais de détention et d'isolement, le conseil pourra détruire ou autrement disposer du chien selon qu'il le croira bon.

*Poursuites en vertu des lois douanières pour débarquement illégal.*

8.—(1) Si quelqu'un débarque ou tente de débarquer un chien en contravention du présent arrêté, il se rendra passible, en vertu des lois douanières, aux peines imposées aux personnes important ou tentant d'importer des marchandises dont l'importation est défendue par ou en vertu des Actes des douanes, sans préjudice de toutes poursuites contre lui en vertu de l'Acte de 1894 pour contravention à cet acte.

(2) Le chien à l'égard duquel l'infraction est commise sera confisqué en vertu des lois douanières comme le sont les marchandises dont l'importation est défendue par les lois douanières.

*Détention des chiens sur les vaisseaux dans le port.*

9.—(1) Chaque chien auquel s'applique le présent acte sera tout le temps qu'il sera à bord d'un vaisseau dans un port de la Grande-Bretagne—

(a) attaché à quelque partie du vaisseau au moyen d'un collier et d'une chaîne et muselé par une muselière en fil métallique construite de manière à mettre le chien qui la porte dans l'impossibilité de mordre une personne ou un chien, mais non l'empêcher de respirer librement ou de laper de l'eau, ou

(b) enfermé dans une partie du vaisseau d'où le chien ne peut s'échapper.

(2) Si un chien auquel s'applique le présent article meurt, ou est perdu d'un vaisseau dans un port de la Grande-Bretagne, la personne en charge du chien avertira immédiatement le conseil de cette mort ou perte.

(3) Les dispositions du présent article s'appliqueront à chaque chien importé qui n'est pas accompagné d'une licence délivrée par le conseil autorisant le débarquement de ce chien dans la Grande-Bretagne.

*Application de certains articles de l'Acte concernant les maladies des animaux, 1894.*

10. Les chiens seront des animaux, et la rage sera une maladie dans le sens des articles suivants de l'Acte de 1894, savoir :—

Article quarante-trois (pouvoirs de police) ;

Article quarante-quatre (pouvoirs des inspecteurs) ;

Article cinquante-six (débarquement illégal) ;

et aussi dans le sens de tous les autres articles du dit acte contenant des dispositions relatives ou se rattachant aux dispositions de ces articles et du présent arrêté, y compris les articles qui se rapportent aux infractions et poursuites légales.

*Les autorités locales feront exécuter l'arrêté.*

11. Les dispositions du présent arrêté, sauf lorsque prescrit autrement, seront mises en force et exécutées par les autorités locales.

*Infractions.*

12.—(1) Si un chien est débarqué en contravention du présent arrêté, le propriétaire et l'affrèteur et le capitaine du vaisseau d'où il est débarqué, et le propriétaire du chien et la personne qui en a alors charge, et la personne qui cause, dirige, ou permet le débarquement, et la personne qui le débarque, et le consignataire ou autre personne qui le reçoit ou garde sachant qu'il a été débarqué en contravention comme susdit, sera chacun, dans la mesure de ses propres actes et défauts, réputé coupable d'infraction à l'Acte de 1894.

(2) Si un chien est déplacé en contravention du présent arrêté, ou des conditions ou dispositions d'une licence ou avis en vertu d'icelui, le propriétaire du chien, et la personne qui en a alors charge, et la personne qui cause, dirige ou permet le déplacement, et la personne qui déplace le chien, et le consignataire ou autre personne qui le reçoit ou garde sachant qu'il a été ainsi déplacé en contravention comme susdit, et l'occupant de l'endroit d'où le chien a été déplacé, sera, chacun dans la mesure de ses propres actes et défauts, réputé coupable d'infraction à l'Acte de 1894.

(3) Si un chien n'est pas tenu isolé tel que le requiert le présent arrêté, ou tel que le prescrivent les conditions ou dispositions d'une licence ou avis en vertu d'icelui, le propriétaire du chien, et la personne qui en a alors charge, et l'occupant de l'endroit où ce chien est détenu, et la personne qui manque ou néglige d'isoler le chien, sera, chacun dans la mesure de ses propres actes, défauts ou omissions, réputé coupable d'infraction à l'Acte de 1894.

(4) Si un chien n'est pas attaché, muselé ou enfermé tel que l'exige le présent acte, ou tel que le prescrivent les conditions ou dispositions d'une licence ou avis en vertu d'icelui, le propriétaire du chien, et la personne qui en a alors charge, et le capitaine de tout vaisseau à bord duquel le chien est ou a été transporté à la Grande-Bretagne, sera, chacun dans la mesure de ses propres actes et défauts, réputé coupable d'infraction à l'Acte de 1894.

(5) Si une personne dans le but d'éluder illégalement ou empêcher l'opération du présent arrêté, ou des conditions ou dispositions d'une licence ou avis en vertu d'icelui, permet qu'un chien s'échappe, il sera réputé coupable d'infraction à l'Acte de 1894.

(6) Si le propriétaire ou personne en charge d'un chien manque de donner, produire, ou faire un avis, licence ou chose que le présent arrêté, ou les conditions, ou dispositions d'une licence ou avis en vertu d'icelui, l'obligent de donner, produire ou faire, il sera réputé coupable d'infraction à l'Acte de 1894.

*Arrêtés révoqués.*

13.—(1) Les arrêtés décrits dans l'annexe du présent arrêté, sont par le présent révoqués à compter du commencement du présent arrêté : pourvu que cette révocation n'aura pas l'effet d'invalider ou de rendre

illégal aucun acte fait en vertu d'un arrêté révoqué par le présent ni ne modifiera une licence ou autorité accordée, ou un droit, titre, obligation ou responsabilité acquis en vertu d'icelui avant le commencement du présent arrêté, ni ne gênera l'institution ou la poursuite de toute action au sujet d'une infraction commise à un arrêté révoqué par le présent, ou une amende encourue avant le commencement du présent arrêté.

(2) Une licence délivrée en vertu d'un arrêté révoqué par le présent, aura, dès et après le commencement du présent arrêté, le même effet que si elle avait été délivrée en vertu du présent arrêté, et pourra être mise à exécution en conséquence.

#### CONSEIL DE L'AGRICULTURE.

##### ARRÊTÉ DE 1901 CONCERNANT L'IMPORTATION DES CHIENS.

Le Conseil de l'Agriculture désire attirer l'attention des autorités locales et du public généralement aux dispositions du présent arrêté qui réglemente le débarquement dans la Grande-Bretagne de chiens amenés de tout pays autre que l'Irlande, les îles de la Manche, ou l'île de Man.

Le présent arrêté qui refond et modifie l'Arrêté de 1897 concernant l'importation des chiens, et les arrêtés qui le modifient, devient exécutoire le 1er de janvier 1902, sauf quant à l'article 2 qui est plus particulièrement mentionné plus loin. L'on remarquera que nul chien importé ne peut être débarqué dans la Grande-Bretagne sans une licence du Conseil de l'Agriculture obtenue avant le débarquement.

Jusqu'au 15 de mars prochain, le débarquement des chiens sera autorisé, en substance, aux mêmes conditions quant à la détention et l'isolement qu'autrefois. Après le 15 de mars le débarquement des chiens sera assujéti à l'article 2 de l'arrêté, qui déclare expressément que chaque chien importé doit être détenu et isolé aux frais de son propriétaire sur des lieux occupés

ou sous le contrôle d'un vétérinaire, qui auront été préalablement approuvés à cette fin par écrit du conseil, pour une période de six mois de calendrier, période durant laquelle le chien ne peut être sorti du lieu de détention qu'en la manière prévue par le dit article. Cet article ne s'applique pas dans le cas d'un chien que l'on se propose d'exporter de la Grande-Bretagne sous quarante-huit heures, ou d'un chien dressé, à l'égard desquels les conditions spéciales seront imposées par la licence qui autorise le débarquement.

#### CONDITIONS DES LICENCES.

Le conseil peut insérer dans toute licence qui autorise le débarquement d'un chien importé, toutes autres conditions qu'il jugera nécessaires ou à propos pour réglementer la détention ou l'isolement du chien à l'endroit de détention autorisé dans la licence, ou pour aucune des fins énoncées dans l'article 3 de l'arrêté.

Chaque chien qui est amené à la Grande-Bretagne de tout pays autre que l'Irlande, les îles de la Manche, ou l'île de Man, et qui n'est pas accompagné d'une licence délivrée par le Conseil de l'Agriculture autorisant le débarquement du chien dans la Grande-Bretagne doit, tout le temps qu'il est à bord d'un vaisseau dans un port quelconque de la Grande-Bretagne, (a) être attaché à quelque partie du vaisseau au moyen d'un collier et d'une chaîne, et muselé par une muselière en fil métallique construite de manière à mettre le chien qui la porte dans l'impossibilité de mordre une personne ou un chien, mais non l'empêcher de respirer librement ou de laper de l'eau ; ou (b) enfermé dans une partie du vaisseau d'où le chien ne peut s'échapper. Et si un tel chien meurt, ou est perdu de ce vaisseau, la personne en charge du chien est tenue d'avertir immédiatement le conseil de cette mort ou perte.

Le memorandum A<sup>190</sup> concernant l'importation des chiens dans la Grande-Bretagne, de l'étranger, daté le 8 août 1900, cessera d'être exécutoire lorsque l'article 2 du présent entrera en vigueur.

Afin que la mise à exécution de l'arrêté cause le moins d'ennuis possible, le conseil espère que les autorités locales l'aideront à bien faire connaître ses dispositions dans leurs districts respectifs.

## QUÉBEC.

### (73) FLEUVE SAINT-LAURENT EN AMONT DE QUÉBEC—SAINT-ANTOINE DE TILLY—FEUX D'ALIGNEMENT ÉTABLIS.

Le 1er de mai 1902, trois feux d'alignement seront établis par le gouvernement du Canada à Saint-Antoine de Tilly, sur la rive sud du fleuve Saint-Laurent en amont de Québec.

(a) Le feu antérieur de l'alignement de montée sera blanc fixe, à 36 pieds au-dessus de la marque de l'eau haute, et devrait être visible à 6 milles dans un petit arc de chaque côté de l'alignement. L'appareil lumineux est catoptrique.

Le phare est une tour carrée en bois, avec côtés en pente, surmontée d'une lanterne carrée en bois, et peinte en blanc, avec le toit de la lanterne rouge. Sa hauteur de la base à la girouette sur la lanterne est de 30 pieds. La tour est juste au-dessus de la marque de l'eau haute sur le côté ouest de la partie plate de la pointe Saint-Antoine, et est à une distance de 2640 pieds N. 56° O. de l'église du village de Saint-Antoine.

(b) Le feu postérieur de l'alignement de montée, qui forme aussi le feu antérieur de l'alignement de descente (indiquant la traverse au pied de la batture des Trembles) est blanc fixe, à 68 pieds au dessus de la marque de l'eau haute, et visible à 9 milles de tous les points d'approche par eau. L'appareil lumineux est dioptrique du septième ordre.

La tour est un bâtiment carré avec côtés en pente, composé d'une charpente d'acier à jour, surmontée d'une guérite de fanal en bois, et par-dessus une lanterne carrée en bois. La partie en acier est peinte brun, la boiserie est blanche et le toit de la lanterne

rouge. La hauteur de la tour de la base à la girouette sur la lanterne est de 65 pieds.

Elle repose sur un caissonnage de 5 pieds de hauteur, peinturé noir, juste au-dessus de la marque de l'eau haute sur le côté est de la pointe Saint-Antoine, et est à une distance de 26 pieds N. 86° 30' E. de la tour en premier lieu décrite.

Lat. N. 46° 40' 3"  
Long. O. 71° 34' 51"

(c) Le feu postérieur de l'alignement de descente est blanc fixe, à 203 pieds au-dessus de la marque de l'eau haute, et est visible à 16 milles de tous les points d'approche par eau. L'appareil lumineux est catoptrique.

La tour est exactement semblable à celle du feu antérieur de l'alignement de descente en dernier lieu décrit.

Cette tour repose sur le sommet de la falaise en arrière de la pointe, et est à 825 pieds S. 65° O. de celle en dernier lieu décrite. Ces deux phares et l'église de Saint-Augustin sont tous dans le même alignement.

*Instructions pour la navigation.*—Les vaisseaux qui remontent doivent conserver leur route N. 84½° O., avec les feux d'alignement de la Pointe à Basile en conjonction en arrière, jusqu'à ce qu'ils atteignent l'alignement des feux de la traverse de la pointe Saint-Antoine, position S. 65° O. en avant, alors qu'ils tournent dans cet alignement, le gardant jusqu'à ce qu'ils aient dépassé la bouée à gaz de la batture des Trembles à tribord, et alors ils doivent gouverner S. 81½° O. passé la pointe Saint-Antoine, conservant cette route jusqu'à ce qu'ils aient amené les feux d'alignement de montée en conjonction en arrière. Ils peuvent les garder en conjonction, en allant S. 88½° O., jusqu'à ce qu'ils aient passé la bouée rouge antérieure au large du banc des Ecureuils (No. 32 Q), alors qu'ils gouvernent pour prendre l'alignement des feux de Ste-Croix.

## AVIS AUX NAVIGATEURS.

No. 16 de 1902.

Tous les relevements, à moins d'avis contraire, sont magnétiques et sont donnés venant de la mer, les milles sont des milles marins, les hauteurs sont au-dessus des hautes eaux, et toutes les profondeurs sont à l'eau basse moyenne.

## (52) FLEUVE SAINT-LAURENT—RÉCIF BARRETT—CHANGEMENT DANS LA COULEUR DE LA BOUÉE À GAZ ET À CLOCHE.

Lorsque la bouée à gaz et à cloche qui indique le récif Barrett, fleuve Saint-Laurent en bas de Québec, sera mise en position cette année, sa couleur sera changée de noir et blanc croisé à rouge, avec les mots "Barrett ledge" en lettres blanches sur le corps de la bouée, et sera dès lors entretenue comme bouée rouge.

## (53) FLEUVE SAINT-LAURENT—TRAVERSE DE ST-ROCH—NATURE DU FEU D'EN HAUT.

A l'ouverture de la navigation en 1902, le feu montré du phare permanent sur la jetée en haut de la Traverse de St-Roch, fleuve St-Laurent en bas de Québec, sera changé de feu blanc fixe catoptrique en feu blanc à occultations donnant des éclats de 8 secondes de durée, avec des intervalles de 8 secondes entre les éclats. Le feu est à 47 pieds au-dessus de la marque des hautes eaux et devrait être visible à 12 milles de tous les points d'approche. Le rayon de lumière dans le chenal des navires sera plus fort que celui montré dans d'autres directions. L'appareil lumineux est dioptrique du troisième ordre. La lumière sera de gaz comprimé, mais le feu sera surveillé.

La lanterne temporaire en bois qui dans l'origine surmontait cette tour a été remplacée par une lanterne en fer polygone peinte rouge. Sous d'autres rapports la station est telle que décrite dans l'Avis aux Navigateurs No. 91 de 1900, partie i.

Les instructions pour la navigation seront modifiées vu le changement fait en 1901 dans la position du bateau-feu qui indique le bout d'en bas de la Traverse. Elles se liront comme ci-dessous :—

Le rocher Algernon en conjonction avec le feu de la Traverse d'en haut indique très exactement la position du bateau-feu de la Traverse d'en bas, aujourd'hui ancré au large de la pointe nord-ouest des battures de St-Roch. En remontant, les navires peuvent sans danger entrer dans la Traverse soit en amenant le bateau-feu de la Traverse d'en bas en conjonction avec le feu de la Traverse d'en haut, ou en l'absence du bateau-feu, en amenant le feu de la Traverse d'en haut en conjonction avec le feu du Pilier de Pierre. A un mille en aval du bateau-feu ils devront gouverner de façon à passer à une encablure et demie de distance, le laissant à bâbord. A partir de ce point la direction dans la Traverse est S.O.  $\frac{1}{2}$  O. tenant les feux du Pilier de Pierre et du rocher Algernon ouverts au nord du feu de la Traverse d'en haut. A partir du feu de la Traverse d'en haut la route à suivre pour laisser à tribord la bouée à gaz sur le haut fond du chenal est S.O.  $\frac{1}{2}$  S. La route ordinairement suivie laisse le feu de la Traverse d'en haut à 2 encablures au sud en passant.

## (54) FLEUVE ST-LAURENT—BATTURE BEAUJEU—CHANGEMENT DANS LA COULEUR DE LA BOUÉE À GAZ.

Lorsque la bouée à gaz qui indique le chenal sur la barre au bout ouest de la batture Beaujeu, au large de l'île aux Grues, fleuve St-Laurent en bas de Québec, sera mise en position cette année, sa couleur sera changée de blanc à bandes horizontales rouges et noires, avec les mots "Beaujeu bank" en lettres blanches sur le corps de la bouée, et sera dès lors maintenue comme bouée de *middle ground*.

La bouée-espar qui remplace cette bouée à gaz lorsqu'elle sera enlevée pour l'hiver, sera aussi changée de couleur de blanc à bandes horizontales rouges et noires.

## (55) FLEUVE ST-LAURENT—GROSSE-ÎLE—CHANGEMENT DANS LA COULEUR DE LA BOUÉE À GAZ ET NATURE DU FEU.

Lorsque la bouée à gaz sur l'extrémité ouest de l'île Margaret, fleuve St-Laurent en bas de Québec, sera mise en position cette année, sa couleur sera changée de jaune à rouge, avec les mots "Quarantine" en lettres jaunes sur le corps de la bouée; et la nature du feu sera changée de blanc fixe à blanc à occultations. Après cela la bouée sera maintenue comme bouée de tribord, et le feu sera obscurci à de courts intervalles.

## DEMANDES AU PARLEMENT.

RÈGLES *in re* AVIS DE BILLS PRIVÉS.

Dans le cas de toute demande de bills privés, prenant du ressort législatif du Parlement du Canada suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, ayant pour objet la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, ou le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société ; ou ayant pour objet quelque amendement à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande (sauf s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit :—

*Dans les provinces de Québec et du Manitoba.*

Dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français, du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district ; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

*Dans les autres provinces ou territoires.*

Dans la *Gazette du Canada*, et dans un journal du comté, du district ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal alors la publication doit se faire dans un journal du comté ou district le plus voisin où il s'en publie. La publication de ces avis durera, dans chaque cas, la période de deux mois au moins pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Des exemplaires marqués de tous les numéros des journaux reproduisant

la première et la dernière insertion de l'avis, devront être transmis au greffier de chaque chambre, et porter à l'enclos "Demande de bill privé."

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, les pétitionnaires devront aussi, en même temps et de la même manière, donner avis du taux de péages projeté, de l'étendue du privilège, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piles pour le passage des radeaux et des navires ; et, si c'est un pont mobile, quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours au moins qui précéderont l'ouverture du parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Après la seconde lecture et avant la prise en considération du bill par tout comité, le pétitionnaire aura aussi à payer au greffier du Sénat, ou au comptable de la Chambre des Communes (selon le cas) un honoraire de \$200, plus une somme suffisante pour défrayer le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé.

L'honoraire de \$200 payable sur tout bill privé, ne sera payé que dans la Chambre où ce bill a pris naissance ; mais les frais de réimpression et de traduction nécessités par ce bill seront payés dans la Chambre où ces frais sont encourus.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par le Sénat ou par la Chambre des Communes, après les premières trois semaines de la session.

Aucun bill privé ne pourra être présenté au Sénat ou à la Chambre des Communes après les premières quatre semaines de la session.

49. Les pétitions pour bills privés ne seront reçues par la Chambre que pendant les trois premières semaines de la session, et les bills privés ne pourront être présentés à la Chambre que pendant les quatre premières semaines de la session ; et tout comité auquel aura été renvoyé un bill privé devra le prendre en considération et en faire rapport à la Chambre avec toute la diligence convenable.

#### ORDER IN COUNCIL.

##### BELGIAN EXTRADITION TREATY.

*Saint James's, 6th March, 1902.*

AT the Court at *Saint James's*, the 6th day of *March*, 1902.

PRESENT :

The KING'S Most Excellent Majesty.

Lord President.

Earl of Kintore.

Lord James of Hereford.

Sir Arthur Wilson.

WHEREAS by The Extradition Acts, 1870 to 1895, it is amongst other things enacted that, where an arrangement has been made with any foreign State with respect to the surrender to such State of any fugitive criminals, His Majesty may, by Order in Council, direct that the said Acts shall apply in the case of such foreign State; and that His Majesty may, by the same or any subsequent Order, limit the operation of the Order, and restrict the same to fugitive criminals who are in or suspected of being in the part of His Majesty's dominions specified in the Order, and render the operation thereof subject to such conditions, exceptions, and qualifications as may be deemed expedient.

And whereas a Treaty was concluded on the twenty-ninth day of October, one thousand nine hundred and one, between His Majesty and His Majesty the King of the Belgians for the mutual extradition of fugitive criminals, which Treaty is in the terms following:—

His Majesty the King of the United Kingdom of Great Britain and Ireland, Emperor of India, and His Majesty the King of the Belgians, having mutually resolved to conclude a new Treaty for the extradition of criminals, the said High Contracting Parties have named as their Plenipotentiaries to conclude a Treaty for this purpose, that is to say:—

His Majesty the King of the United Kingdom of Great Britain and Ireland, Emperor of India, Constantine Phipps, Esquire, Companion of the Most Honourable Order of the Bath, His Envoy Extraordinary and Minister Plenipotentiary to His Majesty the King of the Belgians; and

His Majesty the King of the Belgians, the Baron de Favereau, Knight of His Order of Leopold, Member of the Senate, His Minister of Foreign Affairs:

Who, after having communicated to each other their respective full powers, found in good and due form, have agreed upon the following Articles:—

#### ARTICLE I.

It is agreed that His Britannic Majesty and His Majesty the King of the Belgians shall, on requisition made in their name by their respective Diplomatic Agents, deliver up to each other reciprocally, under the circumstances and conditions stated in the present Treaty, any persons who, being accused or convicted as principals or accessories, of any of the crimes hereinafter specified, committed within the territories of the requiring party, shall be found within the territories of the other party:—

1. Murder (including assassination, parricide, infanticide, poisoning), or attempt, or conspiracy to murder, in cases jointly provided for by the laws of the two countries.

2. Administering drugs or using instruments with intent to procure the miscarriage of women.

3. Manslaughter.

4. Bigamy.

5.—(a.) Counterfeiting or altering money, or uttering counterfeit or altered money.

(b) Knowingly making, without lawful authority, any instrument, tool, or engine adapted and intended for the counterfeiting of the coin of the Realm.

6. Abandoning children, exposing or unlawfully detaining them.

7. Forgery, counterfeiting or altering, or uttering what is forged, counterfeited or altered.

8. Any malicious act done with intent to endanger persons in a railway train.

9. Embezzlement or larceny.

10. Receiving any chattel, money, valuable security, or other property, knowing the same to have been embezzled, stolen, or feloniously obtained.

11. Obtaining money, goods, or valuable securities by false pretences.

12. Crimes by bankrupts against bankruptcy law.

13. Fraud by a bailee, banker, agent, factor, trustee, or director, or member or public officer of any company, made criminal by any law for the time being in force.

14. Rape.

Carnal knowledge, or any attempt to have carnal knowledge, of a girl under 16 years of age so far as such acts are punishable by the law of the State upon which the demand is made.

28. Assault occasioning actual bodily harm. Malicious wounding or inflicting grievous bodily harm.

29. Offences in connection with the Slave Trade punishable by the laws of both States.

Provided that the surrender shall be made only when, in the case of a person accused, the commission of the crime shall be so established as that the laws of the country where the fugitive or person accused shall be found would justify his apprehension and commitment for trial if the crime had been there committed, and in the case of a person alleged to have been convicted, on such evidence as, according to the laws of the country where he is found, would prove that he had been convicted.

In no case can the surrender be made unless the crime shall be punishable according to the laws in force in both countries with regard to extradition.

In no case, nor on any consideration whatever, shall the High Contracting Parties be bound to surrender their own subjects, whether by birth or naturalization.

#### ARTICLE II.

In the dominions of His Britannic Majesty, other than the Colonies or foreign possessions of His Majesty, the manner of proceeding shall be as follows:—

1. In the case of a person accused:—

The requisition for the surrender shall be made to His Britannic Majesty's Principal Secretary of State for Foreign Affairs by the Minister or other Diplomatic Agent of His Majesty the King of the Belgians, accompanied by a warrant of arrest or other equivalent judicial document issued by a Judge or Magistrate duly authorized to take cognizance of the acts charged against the accused in Belgium, together with duly authenticated depositions or statements taken on oath or upon solemn affirmation before such Judge or Magistrate, clearly setting forth the said acts, and containing a description of the person claimed, and any particulars which may serve to identify him.

The said Secretary of State shall transmit such documents to His Britannic Majesty's Principal Secretary of State for the Home Department, who shall then, by order under his hand and seal, signify to some Police Magistrate in London that such requisition has been made, and require him, if there be due cause, to issue his warrant for the apprehension of the fugitive.

On the receipt of such order from the Secretary of State, and on the production of such evidence as would, in the opinion of the Magistrate, justify the issue of the warrant if the crime had been committed in the United Kingdom, he shall issue his warrant accordingly.

When the fugitive shall have been apprehended, he shall be brought before a competent Magistrate. If the evidence to be then produced shall be such as to justify, according to the law of England, the committal for trial of the prisoner, if the crime of which he is accused had been committed in England, the Magistrate shall commit him to prison to await the warrant of the Secretary of State for his surrender, sending immediately to the Secretary of State a certificate of the committal and a report upon the case.

After the expiration of a period from the committal of the prisoner, which shall never be less than fifteen days, the Secretary of State shall, by order under his hand and seal, order the fugitive criminal to be surrendered to such person as may be duly authorized to receive him on the part of the Government of His Majesty the King of the Belgians.

#### 2. In the case of a person convicted—

The course of proceeding shall be the same as in the case of a person accused, except that the warrant to be transmitted by the Minister or other Diplomatic Agent in support of his requisition shall clearly set forth the crime of which the person claimed has been convicted, and state the fact, place, and date of his conviction. The evidence to be produced before the Magistrate shall be such as would, according to the law of England, prove that the prisoner was convicted of the crime charged.

After the Magistrate shall have committed the accused or convicted person to prison to await the order of a Secretary of State for his surrender, such person shall have the right to apply for a writ of habeas corpus: if he should so apply, his surrender must be deferred until after the decision of the Court upon the return to the writ, and even then can only take place if the decision is adverse to the applicant.

### ARTICLE III.

In the dominions of His Majesty the King of the Belgians, other than the Colonies or foreign possessions of His said Majesty, the manner of proceeding shall be as follows:—

#### 1. In the case of a person accused—

The requisition for the surrender shall be made to the Minister for Foreign Affairs of His Majesty the King of the Belgians by the Minister or other Diplomatic Agent of His Britannic Majesty, accompanied by a warrant of arrest or other equivalent judicial document issued by a Judge or Magistrate duly authorized to take cognizance of the acts charged against the accused in Great Britain, together with duly authenticated depositions or statements taken on oath or upon solemn affirmation before such Judge or Magistrate, clearly setting forth the said acts, and containing a description of the person claimed, and any other particulars which may serve to identify him.

The Minister for Foreign Affairs shall transmit the warrant of arrest, with the documents thereto annexed, to the Minister of Justice, who shall forward the same to the proper judicial authority, in order that the warrant of arrest may be put in course of execution by the Chamber of the Council (*Chambre du Conseil*) of the Court of First Instance of the place of residence of the accused, or of the place where he may be found.

The foreigner may claim to be provisionally set at liberty in any case in which a Belgian enjoys that right, and under the same conditions.

The application shall be submitted to the Chamber of the Council (*Chambre du Conseil*).

The Government will take the opinion of the Chamber of Indictments or Investigation (*Chambre*

*des Mises en Accusation*) of the Court of Appeal within whose jurisdiction the foreigner shall have been arrested.

The hearing of the case shall be public, unless the foreigner should demand that it should be with closed doors.

The public authorities and the foreigner shall be heard. The latter may obtain the assistance of counsel.

Within a fortnight from the receipt of the documents they shall be returned, with a reasoned opinion, to the Minister of Justice, who shall decide and may order that the accused be delivered to the person duly authorized on the part of the Government of His Britannic Majesty.

#### 2. In case of a person convicted—

The course of proceeding shall be the same as in the case of a person accused, except that the conviction or sentence of condemnation issued in original, or in an authenticated copy, to be transmitted by the Minister or other Diplomatic Agent in support of his requisition, shall clearly set forth the crime of which the person claimed has been convicted, and state the fact, place, and date of his conviction. The evidence to be produced shall be such as would, according to the Belgian laws, prove that the prisoner was convicted of the crime charged.

### ARTICLE IV.

A fugitive criminal may, however, be apprehended under a warrant signed by any Police Magistrate, Justice of the Peace, or other competent authority in either country, on such information or complaint, and such evidence, or after such proceedings as would, in the opinion of the person issuing the warrant, justify the issue of a warrant if the crime had been committed or the prisoner convicted in that part of the dominions of the two contracting parties in which he exercises jurisdiction: Provided, however, that, in the United Kingdom, the accused shall, in such case, be sent as speedily as possible before a competent Magistrate. He shall be discharged, as well in the United Kingdom as in Belgium, if within fourteen days a requisition shall not have been made for his surrender by the Diplomatic Agent of the requiring State in the manner directed by Articles II and III of this Treaty.

The same rule shall apply to the cases of persons accused or convicted of any of the crimes specified in this Treaty, and committed on the high seas on board any vessel of either country which may come into a port of the other.

### ARTICLE V.

If within two months, counting from the date of arrest, sufficient evidence for the extradition shall have been presented, the person arrested shall be at liberty. He shall likewise be set at liberty if, within two months of the day on which he was placed at the disposal of the Diplomatic Agent, he shall not have been sent off to the reclaiming country.

### ARTICLE VI.

When any person shall have been surrendered by either of the High Contracting Parties to the other, such person shall not, until he has been restored, or had an opportunity of returning to the country from whence he was surrendered, be triable or tried for any offence committed in the other country prior to the surrender, other than the particular offence on account of which he was surrendered.

### ARTICLE VII.

No accused or convicted person shall be surrendered if the offence in respect of which his surrender is demanded shall be deemed by the party upon which it is made to be a political offence, or to be an act connected with (*connexe à*) such an offence, or if he prove to the satisfaction of the Magistrate, or of the Court before which he is brought on habeas corpus, or to the Secretary of State, that the requisition for his surrender has in fact been made with a view to try or to punish him for an offence of a political character.

## ARTICLE VIII.

Warrants, depositions, or statements on oath issued or taken in the dominions of either of the two High Contracting Parties, and copies thereof, and certificates of or judicial documents stating the fact of conviction, shall be received in evidence in proceedings in the dominions of the other, if purporting to be signed or certified by a Judge, Magistrate, or officer of the country where they were issued or taken :

Provided such warrants, depositions, statements, copies, certificates, and judicial documents are authenticated by the oath or solemn affirmation of some witness, or by being sealed with the official seal of the Minister of Justice, or some other Minister of State.

## ARTICLE IX.

The surrender shall not take place if, since the commission of the acts charged, the accusation, or the conviction, exemption from prosecution or punishment, has been acquired by lapse of time, according to the laws of the country where the accused shall have taken refuge.

## ARTICLE X.

If the individual claimed by one of the two High Contracting Parties in pursuance of the present Treaty should be also claimed by one or several other powers, on account of other crimes committed upon their respective territories, his surrender shall be granted to that State whose demand is earliest in date ; unless any other arrangement should be made between the Governments which have claimed him, either on account of the gravity of the crimes committed, or for any other reasons.

## ARTICLE XI.

If the individual claimed should be under process, or condemned by the Courts of the country where he has taken refuge, his surrender may be deferred until he shall have been set at liberty in due course of law.

In case he should be proceeded against or detained in such country on account of obligations contracted towards private individuals, his surrender shall, nevertheless, take place, the injured party retaining his right to prosecute his claims before the competent authority.

## ARTICLE XII.

Every article found in the possession of the individual claimed at the time of his arrest shall, if the competent authority so decide, be seized, in order to be delivered up with his person at the time when the surrender shall be made. Such delivery shall not be limited to the property or articles obtained by stealing or by fraudulent bankruptcy, but shall extend to everything that may serve as proof of the crime. It shall take place even when the surrender, after having been ordered, shall be prevented from taking place by reason of the escape or death of the individual claimed.

The rights of third parties with regard to the said property or articles are, nevertheless, reserved.

## ARTICLE XIII.

Each of the High Contracting Parties shall defray the expenses occasioned by the arrest within its territories, the detention, and the conveyance to its frontier, of the persons whom it may consent to surrender in pursuance of the present Treaty.

## ARTICLE XIV.

The stipulations of the present Treaty shall be applicable to the Colonies and foreign possessions of the two High Contracting Parties.

The requisition for the surrender of a fugitive criminal who has taken refuge in a Colony or foreign possession of either Party shall be made to the Governor or chief authority of such Colony or possession by the chief Consular Officer of the other in such Colony or possession ; or, if the fugitive has escaped from a Colony or foreign possession of the Party on whose behalf the requisition is made, by the Governor or chief authority of such Colony or possession.

Such requisitions may be disposed of, subject always, as nearly as may be, to the provisions of this Treaty,

by the respective Governors or chief authorities, who, however, shall be at liberty either to grant the surrender or to refer the matter to their Government.

#### NOTICE TO MARINERS.

No. 22 of 1902.

All bearings, unless otherwise noted, are magnetic and are given from seaward, miles are nautical miles, heights are above high water, and all depths are at mean low water.

#### QUEBEC.

##### (73) RIVER ST. LAWRENCE ABOVE QUEBEC—ST. ANTOINE DE TILLY—RANGE LIGHTS ESTABLISHED.

On the 1st May, 1902, three range lights will be established by the Government of Canada at St. Antoine de Tilly, on the south shore of the river St. Lawrence above Quebec.

(A.) The front light of the upstream range will be a fixed white light, elevated 36 feet above high water mark and should be visible 6 miles in, and over a small arc on each side of, the line of range. The illuminating apparatus is catoptric.

The lighthouse is a square, wooden tower, with sloping sides, surmounted by a square wooden lantern, and is painted white, with the lantern roof red. Its height from the base to the vane on the lantern is 30 feet. The tower stands just above high water mark on the west side of the low flat part of St. Antoine point, and is distant 2640 feet N. 56° W. from St. Antoine village church.

(B.) The back light of the upstream range, which is also the front light of the downstream range (indicating the traverse at the foot of Trembles shoal), is a fixed white light, elevated 68 feet above high water mark, and visible 9 miles from all points of approach by water. The illuminating apparatus is dioptric of the seventh order.

The lighthouse tower is a square building with sloping sides, consisting of an open steel framework, surmounted by a wooden lightroom and topped with square wooden lantern. The steelwork is painted brown, the woodwork is white, with the lantern roof red. The height of the tower from its base to the vane on the lantern is 65 feet.

It stands upon a cribwork pier 5 feet high, painted black, built just above high water mark on the east side of St. Antoine point, and is distant 826 feet N. 88° 30' E. from the tower first described.

Lat. N. 46° 40' 3"

Long. W. 71° 34' 51"

(C.) The back light of the downstream range is a fixed white light, elevated 203 feet above high water mark, and visible 16 miles from all points of approach by water. The illuminating apparatus is catoptric.

The tower is exactly the same as that of the front light of the downstream range last described.

This tower stands on the crest of the cliff behind the point, and is distant 825 feet S. 65° W. from that last described. These two lighthouses and St. Augustin church are all in the same alignment.

**Sailing Directions.**—Vessels upward should keep their course, N. 84½° W., with Pointe à Basile range lights in one astern, until they reach the alignment of St. Antoine point traverse range lights, bearing S. 65° W. ahead, when they turn onto this alignment, keeping it until they have passed Trembles shoal gas buoy on their starboard hand, when they should shape a course S. 81½° W. past St. Antoine point, keeping this course until they bring the upstream range lights in one astern. They can keep these in one, going up on a course S. 88½° W., until they pass the upper red buoy off Ecureuils bank (No. 32 Q), when they bear up to take the alignment of the Ste. Croix range lights.

## ARRÊTÉ EN CONSEIL.

TRAITÉ D'EXTRADITION AVEC LE ROI DES BELGES.  
Saint-James, 6 mars 1902.

AU Château de Saint-James, le 6e jour de mars 1902.

## PRÉSENTS :

Sa Très Excellente Majesté le ROI.  
Le lord Président.  
Le comte de Kintore.  
Lord James de Hereford.  
Sir Arthur Wilson.

CONSIDÉRANT que par les *Actes d'extradition*, 1870 à 1895, il est statué, entre autres choses, que chaque fois qu'un arrangement aura été conclu avec un Etat étranger au sujet de la reddition à cet Etat de criminels fugitifs, Sa Majesté pourra ordonner par arrêté en conseil que les dits actes s'appliqueront à l'égard de l'Etat étranger en question ; et que Sa Majesté pourra, par le même ou par un arrêté subséquent, restreindre l'opération du dit arrêté et limiter son application aux criminels fugitifs qui se trouvent ou sont supposés se trouver dans la partie des possessions de Sa Majesté spécifiées dans l'arrêté, et en rendre l'exécution sujette aux conditions, exceptions et restrictions qui pourront être jugées convenables.

Et considérant qu'un traité a été conclu le vingt-neuvième jour d'octobre mil neuf cent un, entre Sa Majesté et Sa Majesté le Roi des Belges pour l'extradition mutuelle de criminels fugitifs, lequel est rédigé comme suit :—

Sa Majesté le Roi du Royaume-Uni de la Grande-Bretagne et d'Irlande, Empereur des Indes, et Sa Majesté le Roi des Belges, ayant résolu de conclure un nouveau traité pour l'extradition des criminels, les dites hautes parties contractantes ont nommé pour leurs plénipotentiaires, à l'effet de conclure un traité dans ce but, savoir :—

Sa Majesté le Roi du Royaume-Uni de la Grande-Bretagne et d'Irlande, Empereur des Indes, Constantine Phipps, Esquire, Compagnon du Très Honorable Ordre du Bain, son Envoyé Extraordinaire et Ministre Plénipotentiaire près Sa Majesté le Roi des Belges ; et Sa Majesté le Roi des Belges, Monsieur le Baron de Favereau, Chevalier de l'Ordre de Léopold, Sénateur, son Ministre des Affaires Etrangères :

Lesquels, après s'être communiqué réciproquement leurs pleins pouvoirs, reconnus en bonne et due forme, sont convenus des articles suivants :—

## ARTICLE I.

Il est convenu que Sa Majesté Britannique et Sa Majesté le Roi des Belges, sur la demande faite en leur nom par leurs agents diplomatiques respectifs, se livreront réciproquement, sous les conditions stipulées dans le présent traité, tous les individus qui, étant poursuivis ou condamnés comme auteurs ou complices, pour l'un des crimes ou délits ci-après spécifiés, commis sur le territoire de la partie requérante, seront trouvés sur le territoire de l'autre partie :—

1. Meurtre (y compris l'assassinat, le parricide, l'infanticide, l'empoisonnement), ou tentative de meurtre, ou complot en vue de meurtre dans les cas prévus simultanément par la législation des deux pays.

2. Administration de drogues ou usage d'instruments en vue de provoquer l'avortement.

3. Homicide commis sans préméditation ou guet-apens.

4. Bigamie.

5.—(a) Contrefaçon ou altération de monnaie, ainsi que mise en circulation de la monnaie contrefaite ou altérée.

6. Délaissement, exposition, ou recel d'enfants.

7. Faux, contrefaçon, ou altération, ou mise en circulation de ce qui est falsifié, contrefait, ou altéré.

8. Tout acte punissable commis avec l'intention méchante de mettre en danger des personnes se trouvant dans un train de chemin de fer.

11. Escroquerie d'argent, de marchandises, ou valeurs, sous de faux prétextes.

12. Crimes des banqueroutiers frauduleux prévus par la loi.

13. Détournement ou dissipation frauduleux au préjudice d'autrui d'effets, deniers, marchandises, quittances, écrits de toute nature, contenant ou opérant obligation ou décharge, et qui avaient été remis à la condition de les rendre ou d'en faire un usage ou un emploi déterminé.

14. Viol.

Commerce sexuel, ou tentative de commerce sexuel, avec une fille âgée de moins de 16 ans, en tant que ces actes sont punissables par la loi de l'Etat auquel la demande est adressée.

Attentat à la pudeur avec violences ou menaces. Attentat à la pudeur sans violences ni menaces sur des enfants de l'un ou de l'autre sexe âgés de moins de 13 ans.

15. Enlèvement de mineurs.

16. Enlèvement d'enfant.

17. Attentats à la liberté individuelle pour autant que les lois des deux pays permettent l'extradition de ce chef.

18. Vol avec effraction ou escalade.

19. Incendie.

20. Vol avec violence (comprenant l'intimidation).

21. Menaces d'attentat punissable d'une peine criminelle.

28. Coups portés ou blessures faites volontairement avec préméditation ou ayant causé une maladie paraissant incurable, une incapacité permanente de travail personnel, la perte de l'usage absolu d'un organe ou une mutilation grave.

29. Crimes ou délits concernant la traite des esclaves en tant qu'ils sont punissables d'après les lois des deux pays.

Toutefois, l'extradition ne sera accordée dans le cas d'une personne accusée que si la perpétration du crime ou du délit est établie de telle façon que les lois du pays où le fugitif accusé sera trouvé justifieraient son arrestation et son emprisonnement si le crime ou le délit avait été commis dans ce pays ; et dans le cas d'une personne prétendument condamnée, que sur la

production d'une preuve qui, d'après les lois du pays où le fugitif a été trouvé, établirait suffisamment qu'il a été condamné.

En aucun cas l'extradition ne pourra avoir lieu que lorsque le crime ou le délit sera prévu par la législation sur l'extradition en vigueur dans les deux pays.

En aucun cas, ni sous aucun prétexte que ce soit, les hautes parties contractantes ne seront obligées de livrer leurs nationaux, par naissance ou par naturalisation.

#### ARTICLE II.

Dans les États de Sa Majesté Britannique, autres que les colonies ou les possessions étrangères de Sa Majesté, la manière de procéder sera la suivante :

##### 1. S'il s'agit d'une personne accusée—

La demande d'extradition sera adressée au Premier Secrétaire d'Etat de Sa Majesté pour les Affaires Étrangères par le Ministre ou autre agent diplomatique de Sa Majesté le Roi des Belges. A cette demande seront joints un mandat d'arrêt ou autre document judiciaire équivalent, délivré par un juge ou magistrat dûment autorisé à prendre connaissance des actes imputés à l'accusé en Belgique, ainsi que les dépositions authentiques ou les déclarations faites sous serment ou sous affirmation solennelle devant ce juge ou magistrat, énonçant clairement les dits actes, et contenant outre le signalement de la personne réclamée, toutes les particularités qui pourraient servir à établir son identité.

Le dit Secrétaire d'Etat transmettra ces documents au Premier Secrétaire d'Etat de Sa Majesté Britannique pour les Affaires Intérieures, qui, par un ordre de sa main et muni de son sceau, signifiera à l'un ou l'autre magistrat de police à Londres que la demande d'extradition a été faite, et le requerra, s'il y a lieu, de délivrer un mandat pour l'arrestation du fugitif.

A la réception d'un semblable ordre du Secrétaire d'Etat, et sur la production de telle preuve qui, dans l'opinion de ce magistrat, justifierait l'émission du mandat si le crime avait été commis dans le Royaume-Uni, il délivrera le mandat requis.

Lorsque alors le fugitif aura été arrêté, il sera amené devant un magistrat compétent. Si la preuve qu'on produira est de nature à justifier, selon la loi anglaise, la mise en jugement du prisonnier, dans le cas où le crime dont il est accusé aurait été commis en Angleterre, le magistrat l'enverra en prison pour attendre le mandat du Secrétaire d'Etat, nécessaire à l'extradition, et il adressera immédiatement au Secrétaire d'Etat une attestation de l'emprisonnement avec un rapport sur l'affaire.

Après l'expiration d'un certain temps, qui ne pourra jamais être moindre de quinze jours depuis l'emprisonnement de l'accusé, le Secrétaire d'Etat, par un ordre de sa main et muni de son sceau, ordonnera que le criminel fugitif soit livré à telle personne qui sera dûment autorisée à le recevoir au nom du gouvernement de Sa Majesté le Roi des Belges.

##### 2. S'il s'agit d'une personne condamnée—

La marche de la procédure sera la même que dans le cas d'une personne accusée, sauf que le mandat à transmettre par le Ministre ou autre agent diplomatique à l'appui de la demande d'extradition énoncera clairement le crime pour lequel la personne réclamée aura été condamnée, et mentionnera le fait, le lieu, et la date du jugement. La preuve à produire devant le magistrat sera telle que, d'après la loi anglaise, elle établirait que le prisonnier a été condamné pour le crime dont on l'accuse.

Après que le magistrat aura envoyé la personne accusée ou condamnée en prison pour attendre l'ordre d'extradition du Secrétaire d'Etat, cette personne aura le droit de réclamer une ordonnance d'*habeas corpus* ; l'extradition doit alors être différée jusqu'après la décision de la Cour sur le renvoi de l'ordonnance, et elle ne pourra avoir lieu que si la décision est contraire au demandeur.

#### ARTICLE III.

Dans les États de Sa Majesté le Roi des Belges, autres que les colonies ou possessions étrangères de sa dite Majesté, on procédera de la façon suivante :—

##### 1. S'il s'agit d'une personne accusée—

La demande d'extradition sera adressée au Ministre des Affaires Étrangères de Sa Majesté le Roi des Belges

par le Ministre ou autre agent diplomatique de Sa Majesté Britannique ; à cette demande seront joints un mandat d'arrêt ou autre document judiciaire équivalent délivré par un juge ou magistrat dûment autorisé à prendre connaissance des actes imputés à l'accusé dans la Grande-Bretagne, ainsi que les dépositions authentiques ou les déclarations faites sous serment ou sous affirmation solennelle devant ce juge ou magistrat, énonçant clairement les dits actes, et contenant outre le signalement de la personne réclamée, toutes les particularités qui pourraient servir à établir son identité.

Le Ministre des Affaires Étrangères transmettra le mandat d'arrêt, avec les pièces annexées, au Ministre de la Justice, qui fera parvenir les documents à l'autorité judiciaire, à l'effet de voir rendre le dit mandat d'arrêt exécutoire par la Chambre du Conseil du Tribunal de Première Instance du lieu de la résidence de l'inculpé, ou du lieu où il pourra être trouvé.

L'étranger pourra réclamer la liberté provisoire dans le cas où un Belge jouit de cette faculté, et dans les mêmes conditions.

La demande sera soumise à la Chambre du Conseil.

Le gouvernement prendra l'avis de la Chambre des Mises en Accusation de la Cour d'Appel dans le ressort de laquelle l'étranger aura été arrêté.

L'audience sera publique, à moins que l'étranger ne réclame le huis-clos.

Le Ministère Public et l'étranger seront entendus. Celui-ci pourra se faire assister d'un conseil.

Dans la quinzaine à dater de la réception des pièces, elles seront renvoyées avec l'avis motivé au Ministre de la Justice, qui statuera et pourra ordonner que l'inculpé soit livré à la personne qui sera dûment autorisée au nom du gouvernement de Sa Majesté Britannique.

##### 2. S'il s'agit d'une personne condamnée—

Le cours de la procédure sera le même que dans le cas d'une personne accusée, sauf que le jugement ou l'arrêt de condamnation délivré en original ou en expédition authentique, à transmettre par le Ministre ou l'agent diplomatique à l'appui de la demande d'extradition, énoncera clairement le crime pour lequel la personne réclamée aura été condamnée, et mentionnera le fait, le lieu, et la date du jugement. La preuve à produire sera telle que, conformément aux lois belges, elle établirait que le prisonnier a été condamné pour le crime dont on l'accuse.

#### ARTICLE IV.

Un criminel fugitif peut, cependant, être arrêté sur un mandat délivré par tout magistrat de police, juge de paix, ou autre autorité compétente dans chaque pays, à la suite d'un avis, d'une plainte, d'une preuve ou de tout autre acte de procédure qui, dans l'opinion de la personne délivrant le mandat, justifierait ce mandat, si le crime avait été commis ou la personne condamnée dans la partie des États des deux Contractants où elle exerce juridiction : Pourvu que, cependant, s'il s'agit du Royaume-Uni, l'accusé soit, dans un pareil cas envoyé aussi promptement que possible devant un magistrat compétent. Il sera relâché, tant dans le Royaume-Uni qu'en Belgique, si dans les quatorze jours une demande d'extradition n'a pas été faite par l'agent diplomatique du pays requérant, suivant le mode indiqué par les articles II et III de ce traité.

La même règle s'appliquera aux cas de personnes poursuivies ou condamnées du chef de l'un des crimes spécifiés dans ce traité, et commis en pleine mer, à bord d'un navire de l'un des deux pays, et qui viendrait dans un port de l'autre.

#### ARTICLE V.

Si endéans les deux mois à partir de la date de l'arrestation des documents suffisants n'ont pas été produits, l'individu arrêté sera mis en liberté. Il sera également mis en liberté si endéans les deux mois du jour où il a été placé à la disposition de l'agent diplomatique, il n'a pas été emmené dans le pays requérant.

#### ARTICLE VI.

Lorsqu'une personne aura été extradée par l'une des hautes parties contractantes, cette personne, jusqu'à

ce qu'elle soit rentrée dans le pays d'où elle a été extradée, ou qu'elle ait eu occasion de le faire, ne sera poursuivie pour aucun délit commis dans l'autre pays avant l'extradition, autre que celui pour lequel l'extradition a eu lieu.

## ARTICLE VII.

Aucune personne accusée ou condamnée ne sera extradée si le délit pour lequel l'extradition est demandée est considérée par la partie requise comme un délit politique, ou un fait connexe à un semblable délit, ou si la personne prouve à la satisfaction du magistrat ou de la Cour devant laquelle elle est amenée pour l'habeas corpus, ou du Secrétaire d'État, que la demande d'extradition a été faite, en réalité, dans le but de la poursuivre ou de la punir pour un délit d'un caractère politique.

## ARTICLE VIII.

Les mandats, dépositions, déclarations, sous serment délivrés ou recueillis dans les États de l'une des deux hautes parties contractantes, les copies de ces pièces, ainsi que les certificats ou les documents judiciaires établissant le fait de la condamnation, seront reçus comme preuve dans la procédure des États de l'autre partie, s'ils sont revêtus de la signature ou accompagnés de l'attestation d'un juge, magistrat, ou fonctionnaire du pays où ils ont été délivrés ou recueillis :

Pourvu que ces mandats, dépositions, déclarations, copies, certificats, et document judiciaires soient rendus authentiques par le serment ou affirmation solennelle d'un témoin, ou par le sceau officiel du Ministre de la Justice ou d'un autre Ministre d'État.

## ARTICLE IX.

L'extradition n'aura pas lieu si, depuis les faits imputés, les poursuites, ou la condamnation, la prescription de l'action ou de la peine est acquise d'après les lois du pays où le prévenu s'est réfugié.

## ARTICLE X.

Si l'individu réclamé par l'une des hautes parties contractantes, en exécution du présent traité, est aussi réclamé par une ou plusieurs autres Puissances du chef d'autres crimes commis sur leurs territoires respectifs, son extradition sera accordée à l'État dont la demande est la plus ancienne en date à moins qu'il n'existe entre les gouvernements qui l'ont réclamé un arrangement qui déciderait de la préférence, soit à raison de la gravité des crimes commis, soit à raison de tout autre motif.

## ARTICLE XI.

Si l'individu réclamé est poursuivi ou condamné par les tribunaux du pays où il s'est réfugié, son extradition pourra être différée jusqu'à ce qu'il ait été mis en liberté selon le cours régulier de la loi.

Dans le cas où il serait poursuivi ou détenu dans le même pays à raison d'obligations par lui contractées envers des particuliers, son extradition n'en aura pas moins lieu, sauf à la partie lésée à faire valoir ses droits devant l'autorité compétente.

## ARTICLE XII.

Tout objet trouvé en possession de l'individu réclamé au moment de son arrestation sera, si l'autorité compétente en a ainsi ordonné, saisi, pour être livré avec sa personne lorsque l'extradition aura lieu. Cette remise ne sera pas limitée aux objets acquis par vol ou banqueroute frauduleuse, mais elle s'étendra à toute chose qui pourrait servir de pièce de conviction. Elle se fera même si l'extradition, après avoir été accordée, ne peut s'accomplir par suite de l'évasion ou de la mort de l'individu réclamé.

Sont, cependant, réservés les droits des tiers sur les objets susmentionnés.

## ARTICLE XIII.

Chacune des hautes parties contractantes supportera les frais occasionnés par l'arrestation sur son territoire, la détention, et le transport à la frontière

des personnes qu'elle consentirait à extraditer en exécution du présent traité.

## ARTICLE XIV.

Les stipulations du présent traité seront applicables aux colonies et possessions étrangères des deux hautes parties contractantes.

La demande d'extradition d'un criminel fugitif qui s'est réfugié dans une colonie ou possession étrangère de l'une des parties sera faite au Gouverneur ou au fonctionnaire principal de cette colonie ou possession par le principal Agent Consulaire de l'autre dans cette colonie ou possession ; ou, si le fugitif s'est échappé d'une colonie ou possession étrangère de la partie au nom de laquelle l'extradition est demandée, par le Gouverneur ou le fonctionnaire principal de cette colonie ou possession.

Ces demandes seront faites ou accueillies en suivant toujours, aussi exactement que possible, les stipulations de ce traité par les gouverneurs ou premiers fonctionnaires qui, cependant, auront la faculté ou d'accorder l'extradition ou d'en référer à leur gouvernement.

Sa Majesté Britannique se réserve, cependant, le droit de faire des arrangements spéciaux dans les colonies anglaises ou possessions étrangères pour l'extradition de criminels Belges qui y auraient cherché refuge, en se conformant, aussi exactement que possible, aux stipulations du présent traité.

## ARTICLE XV.

Le présent traité entrera en vigueur dix jours après sa publication dans les formes prescrites par la législation des pays respectifs.

A partir du jour où le présent traité entrera en vigueur, le Traité d'Extradition entre les deux pays du 20 mai, 1876, la Déclaration entre les Gouvernements Britannique et Belge du 23 juillet, 1877, étendant le traité du 20 mai, 1876, à certains autres délits, la Déclaration du 21 avril, 1887, modifiant l'Article 1er du traité du 20 mai, 1876, et la Convention du 27 août, 1896, portant nouvelle modification du traité du 20 mai, 1876, cesseront leurs effets ; mais le présent traité sera applicable à tous les délits prévus au traité qu'ils aient été commis avant ou après la date où il sera entré en vigueur.

Chaque partie peut en tout temps mettre fin au traité en donnant à l'autre, six mois à l'avance, avis de son intention.

## ARTICLE XVI.

Le présent traité sera ratifié, et les ratifications seront échangées à Bruxelles le plus tôt possible dans les six semaines de la date de la signature.

En foi de quoi les Plénipotentiaires respectifs ont signé ce même traité, et y ont apposé le sceau de leurs armes.

Fait à Bruxelles, le vingt-neuvième jour du mois d'octobre, de l'an de grâce mil neuf cent un.

(L. S.) CONSTANTINE PHIPPS,  
(L. S.) FAVEREAU.

Et attendu que les ratifications du dit traité ont été échangées à Bruxelles le sixième jour de décembre, mil neuf cent un :
